WHEREAS it is recognized that the Diocese of Pennsylvania has been and is faced with the problem of many of its metropolitan churches having to be merged or closed and many new missions established in new suburban communities and with regard to the fact that valuable assets, in the form of church furnishings, have not been utilized owing to a lack of properly authorized channels through which such furnishings could be preserved and put to use at a financial saving to the Diocese and with the further realization that other valuable furnishings which are now unused by certain churches could be available to less fortunate churches or to new missions:

IT IS HEREBY RESOLVED that this Convention authorize and direct the addition to the Property Department of the Executive Council of five (5) persons, to be appointed by the Bishop, as members of said Department, one of whom shall be an architect, one of whom shall be an attorney, one of whom shall be in the insurance business, and two of whom shall be persons skilled in the manufacture

and preparation of church furnishings: and that the said Property Department shall be charged with preparing an inventory, and the care and disposition of all church furnishings now in the possession of the Diocese or to be acquired by the Diocese in the future.

AND BE IT FURTHER RESOLVED that said members shall be prepared to furnish professional opinions on what furnishings are of sufficient value and merit to warrant their retention or salvage for use within the Diocese.

AND BE IT FURTHER RESOLVED that said Department shall, through an adequate central filing system, be ready at all times to furnish information as to the availability of furnishings on both the Diocesan and Parish level and to stand ready to advise any Parish, upon request, regarding details related to its inventory.

Mr. Spencer Ervin offered the following additions to the Standing Orders for the Annual Meeting of the Convention, which were referred to the Committee on the Dispatch of Business:

RESOLVED, that the following be added to the Standing Orders for the Annual Meeting of the Convention as No. IX thereof:

IX. The rules governing appointments to, and meetings and reports of Committees and Commissions, shall be as follows:

1. Appointments to Committees or Commissions, and the designation of a convener, shall be made not later than the fifteenth of June following the adjournment of Convention. In case of the absence or disability of the Diocesan, the Secretary of Convention shall appoint.
2. The convener shall call the Committee or Commission to hold its first meeting not later than the fifteenth of October following the adjournment of Convention.

5. A member or members of a Committee or Commission who do not concur in the Report of the majority may sign and file within the prescribed time a minority report or reports.
6. Every report shall quote or describe the Resolution under which the Committee or Commission was established; state the dates on which meetings have been held; and append a Resolution or Resolutions for carrying out its recommendations, or for the discharge or continuance of the Committee or Commission if it has no present recommendations.
7. The Secretary of Convention shall enclose to each convener a copy of these rules upon notification of his appointment. The convener shall transmit them to the secretary of the Committee or Commission when elected.

Mr. Samuel F. Houston offered the following Resolutions, which were referred to the Committee on the Dispatch of Business:

RESOLVED, that the Diocese of Pennsylvania appropriate sufficient funds in its 1949 and subsequent budgets to provide:

(1) An adequate salary for a full-time Executive for the Commission on Youth of the Department of Christian Education, and

(2) An adequate salary for a separate full-time Executive for the Department of Christian Social Relations,

(3) Ample appropriations to each of the above departments for the employment of clerical assistance and to meet the reasonable expenses of the above executive.

Since the growth of the Church throughout the world is dependent upon strong and healthy Dioceses at home, said appropriations to the Department of Christian Education for the Commission on Youth, and to the Department of Christian Social Relations shall be deducted, if necessary, from the share of monies customarily allocated by the Diocese of Pennsylvania to the National Council, which share shall be reinstated from any surplus of Diocesan Funds.

The Canon of Courtesy was read by the Secretary as follows:

Clergymen canonically resident in this Diocese but not entitled to vote in the Convention, Clergymen of other Dioceses of this Church, Candidates for Holy Orders in this Church, Wardens of Missions other than those entitled to send Deputies, and all persons holding any office or trust under the Convention, including the Lay Members of the Standing Committee, the Officers of the Executive Council and the Executive Officer of the Philadelphia Protestant Episcopal Mission, though not members, shall be admitted to seats and have a voice in the Convention, but not the right to vote.

The Rev. Dr. Francis C. Hartshorne offered the following Resolution, which was adopted:

WHEREAS the business of the Special Convention of the Diocese of Pennsylvania meeting in the Church of the Holy Trinity, Monday, December 15, 1947 has to do with the Episcopal Hospital.

THEREFORE, be it resolved, that, the Convention extend to the officers and the Members of the Board of Managers of the Episcopal Hospital, not members of this Convention, a voice and seat in this Special Convention meeting in the Church of the Holy Trinity, Monday, December 15, 1947.

The President appointed the following Committees:

Claims of the Clergy to Seats:

The Rev. Dr. John R. Logan, *Convener*

The Rev. George Copeland — The Rev. Paul R. R. Reinhardt

Claims of the Laity to Seats:

Mr. Thomas B. K. Ringe, *Convener*

Mr. W. P. Heston — Mr. Edward Morris

The Rev. William Roulston McKean presented the Report of the Committee on the Dispatch of Business which was adopted as follows:

RESOLVED, That the Hours of the Special Convention be from 4 p.m. to 6:30 p.m. and from 8 p.m. to adjournment and that after any notice of statement the Bishop may desire to make, the Convention recognize the Rev. Dr. James M. Niblo who will present resolution on the behalf of the Clergy of the Clerical Brotherhood.

The Rev. Albert O. Judd presented the Report of the Committee on Arrangements which on motion was adopted as follows:

RESOLVED, That the Deputies secure, at their own expense, supper in nearby restaurant.

The Committee has arranged the public address system in the church for the period of the Convention.

The Bishop of the Diocese delivered extemporaneously THE ADDRESS which was upon Evangelism and the Call of The Special Convention.

THE COMMITTEES ON CLAIMS OF CLERGY TO SEATS AND ON CLAIMS OF LAITY TO SEATS reported that no Claims had been made.

The Chair recognised The Rev. Dean Niblo, who presented in behalf of a COMMITTEE OF THE CLERICAL BROTHERHOOD A PREAMBLE AND RESOLUTIONS as follows:

This Committee was appointed from among the Clergy of the Diocese at a meeting of the Clericus. Its personnel consists of five Clergymen who have had long experience in various hospitals, both as Chaplains and on governing boards. After considerable time devoted to individual study of the problems of the Episcopal Hospital, after conferences with individuals and groups of the Clergy, they have arrived at these conclusions which they desire to set forth as the program they conceive as reasonably able to solve the more pressing problems that confront the Board at the present moment.

1. We believe firmly that all persons who made possible the establishment of the Episcopal Hospital at its present location, did so in the conscious realization, that they were affording the best kind of help for people living in that area, where the Church could carry on in Christ's name a healing ministry for the sick and afflicted, joined to a ministry for the souls as well.

2. We believe that the present desire of a majority of the clergy and laity of the Episcopal Church in this Diocese calls for the continuation of the ministrations of the Episcopal Hospital at its present location, as a loving missionary enterprise of our church to those who sorely need this ministration: that both operating and capital requirements can be met if both problems become the responsibility of the industrial enterprises, businesses of that area in which the Hospital operates (since it is to the employes and their families of these establishments that the hospital largely ministers), Churches, Organized Labor and residents of the Northeast Area, and likewise becomes the responsibility of the whole Diocese of Pennsylvania in its missionary work.

THEREFORE BE IT RESOLVED:

1. That this Convention give full support to the desires of the community and the Board of Managers to meet the current financial problems in a way that will make possible the hospital's continuance as a church hospital in its present location.

2. Be is further Resolved, that the Diocese endeavor to raise the sum of $65,000 a year for the Episcopal Hospital, either through voluntary contributions at Thanksgiving or other times in the year or allocated within the budget of the Diocese; the method to be determined by the Bishop and the Executive Council.

3. And be it further Resolved, that this Convention is sympathetic with the objectives of a building program for the hospital, a work to be shared in by the Diocese, and all possible Agencies and Peoples within the Area served by the hospital.

4. And further be it Resolved, that a committee be appointed to consider the methods whereby a closer relationship may be established between the Convention of the Diocese and the Hospital, as well as with the industrial establishments, businesses, Churches, Organized Labor and residents of the Northeast section of Philadelphia, such committee to consist of five members of Convention appointed by the Bishop and the same number of persons representing the Board of Managers.

The Rev. Dr. Felix Kloman presented in behalf of the DEPARTMENT OF CHRISTIAN SOCIAL RELATIONS the following Resolutions:

The times require more common purpose in society than is at present evident. The Christian witness of the Church to that common purpose as proclaimed by our Lord Jesus Christ is greatly strengthened by those agencies that remember that witness in the community through the service they render suffering humanity in Christ's name. Especially is this true of the ministry of the Episcopal Hospital in the community it has served so many years, at Front and Lehigh Streets, in the City of Philadelphia. Through the Episcopal Hospital the Episcopal Church has been a true leader in the community. It is the opinion of the Department of Christian Social Relations that this ministry and its needed witness can and should be strengthened. To this end the Department presents to the Special Convention of the Diocese of Pennsylvania the following resolutions as a substitute to those presented by the committee of clergymen.

WHEREAS, The Episcopal Hospital has developed a reservoir of good will growing out of its medical services, its social witness and its religious influence in the community which it serves through its outstanding and unique Chaplaincy services and

WHEREAS, in all humility the Diocese of Pennsylvania may well be proud of this record which the Episcopal Hospital has achieved over the years of its existence, and

WHEREAS, to continue to function effectively at the present site will require, according to qualified sources, $750,000.00 immediately and $1,500,000.00 over the next few years for needed improvements in the physical plant,

BE IT RESOLVED,

I. That the Convention approve the maintenance of the Episcopal Hospital at its present site, and

II. That such steps be taken as may seem most effective, to raise the needed funds to provide for this maintenance, and

III. That a closer relationship with the Diocese of Pennsylvania and the management of the Episcopal Hospital be established, and

BE IT FURTHER RESOLVED, that

I. The Episcopal Hospital should be maintained at its present location as a Hospital of the Episcopal Church, and

II. That a joint committee of 12 persons, six to be appointed by the Board of Managers of the Hospital and six by the Bishop, the latter to consist of three clergymen and three laymen, not members of the Hospital Board, be constituted to work out a plan for a closer relationship between the Hospital and the Diocese of Pennsylvania, and

III. That no proposals for a merger with the University of Pennsylvania or Temple be accepted, and

IV. That immediate steps be taken by a canvass of individual organizations from Northeast Philadelphia by a house to house canvass in Kensington, and by an appeal to the Diocese to raise $750,000.00 for immediate needs and that plans be made for a long range effort to raise further necessary funds.

Respectfully submitted,

Department of Christian Social Relations
Diocese of Pennsylvania

The Bishop was elected Chairman.

The Convention recessed at 6:30 p.m.

The Special Convention reassembled at 8:00 p.m., the Bishop in the Chair.

THE COMMITTEE OF THE WHOLE continued its discussion.

On Motion the COMMITTEE OF THE WHOLE arose and reported to the Convention, submitting as its report the Revised RESOLUTIONS of the Conference Committee, which Report on Motion, was accepted.

RESOLVED, That this Convention give full support to the desires of the community and the Board of Managers to meet the current financial problems in a way that will make possible the hospital's continuance as a church hospital in its present location, and that no proposals for merger with other hospitals be considered.

The Rev. Dr. Wm. H. Dunphy offered as a substitute for the last sentence the following, which was adopted by a vote by division Ayes 159, Noes 103:

RESOLVED, That the last sentence of Resolution No. 1 be deleted and the following substituted therefore; that it is the sense of this Convention that no merger which would destroy or obscure the Churchly character of this Hospital should be approved.

On motion, Resolution No. 1 as altered was adopted.

RESOLUTION NO. 2 was considered and by a vote by division Ayes 221, Noes 41, was adopted as follows:

BE IT FURTHER RESOLVED, That the Diocese endeavor to raise the sum of $65,000.00 a year for the Episcopal Hospital, at Thanksgiving or at other times in the year, this item not to be included in the Budget of the Diocese.

RESOLUTION NO. 3, on Motion was adopted as presented as follows:

AND BE IT FURTHER RESOLVED, That this Convention is sympathetic with the objectives of a building program for the hospital and that immediate steps be taken to raise $750,000.00 by a canvass of individuals and organizations from Northeast Philadelphia by a house to house canvass in that area, and by an appeal to the Diocese for immediate needs, and that plans be made for a long range effort to raise a further fund of $1,500,000.00 for capital improvements, both of the above subject to the approval of the Community Chest.

RESOLUTION NO. 4, on Motion was adopted as presented as follows:

AND FURTHER BE IT RESOLVED, That a committee be appointed to consider the methods whereby a closer relationship will be established between the Convention of the Diocese and the Board of the Hospital, as well as with the industrial establishments, businesses, Churches, Organized Labor Groups and residents of the Northeast section of Philadelphia, and such committee to consist of six members of Convention appointed by the Bishop with adequate representation from the community which the Hospital serves, and the same number of persons representing the Board of Managers; this Committee to report back at the next Annual Diocesan Convention.

The Rev. Mr. McKean offered the following RESOLUTIONS, both of which were adopted:

RESOLVED, That the bill for the installation of the Public Address System and other expenses connected with the Special Convention be approved and referred to the Committee on Expenses.

RESOLVED, That the thanks of the Convention be tendered to the Rector, Wardens, and Vestry of the Church of the Holy Trinity for the use of their buildings for the meeting of the Convention.

The Bishop requested the Bishop Suffragan to close the Special Convention with prayers and the benediction.

The Special Convention adjourned at 9:15 p.m.

The Rev. W. R. McKean for the COMMITTEE ON DISPATCH OF BUSINESS offered the following Resolution:

RESOLVED, That the Hours of the Special Convention be from 4 p.m. to 6:30 p.m. and from 8 p.m. to adjournment and that after any notices of statement the Bishop may desire to make, the Convention recognize Edward S. Morris, Esquire who will present the resolution on the behalf of the Committee of Nine authorized by the Annual Convention of the Diocese of Pennsylvania held May 3rd and 4th, 1948 in the Church of the Holy Trinity, Philadelphia and appointed by the Bishop.

Bishop Hart recognized Mr. Edward S. Morris, Chairman of the Committee of Nine, appointed at the Annual Convention of the Diocese of Pennsylvania meeting May 4, 1948 in the Church of The Holy Trinity, who presented in behalf of the COMMITTEE OF NINE a Report and Resolution as follows:

The Committee appointed to work with the Board of Managers of the Episcopal Hospital, pursuant to a resolution of the Diocesan Convention of 1948, begs leave to report to the Convention as follows:

I. CONCERNING THE COMMITTEE

A. *A Resume of Recent Action in Connection with the Episcopal Hospital*

The urgent situation at the Episcopal Hospital was the subject of the action of the Special Convention held on December 17, 1947. As a result of the report given by the Board of Managers of the Episcopal Hospital, a Committee was duly appointed to represent the Convention in a discussion of problems with the Board of Managers. It is to be noted that the Committee in its report filed with the Diocesan Convention of May, 1948, took as its main objective "means of strengthening relationship between the Episcopal Hospital and the Diocese of Pennsylvania." The Committee filed the report above referred to, which is a part of the proceedings of the Diocesan Convention of 1948 and, after a short discussion of their activities, submitted the following Resolution and a request for discharge:

RESOLUTION: That a Committee be appointed to work with the Board of Managers of the Episcopal Hospital in planning the future of the hospital, such committee to consist of nine (9) members of Convention appointed by the Bishop, and that when a definite decision has been reached, a Special Convention be called to take action on the proposal.

This Resolution was duly adopted and the Committee discharged. The following Committee was appointed:

Mark E. Balis, *Convener*	Charles S. Rockey
Leighton P. Stradley, Esq.	William M. West
Henry R. Dowdy	Thomas S. Stewart
J. Kennard Skilling	Edward S. Morris

Samuel Evans, Jr.

Before, however, the appointment of your Committee authorized by this Resolution, a survey of the Hospital, ordered by the Board of Managers and prepared by the firm of Day & Zimmerman, was filed with the Board on May 14, 1948. After a study of this report, the Board, on May 27, 1948, adopted three Resolutions, which have been forwarded to the deputies with the call of this special Convention. Without quoting them at length, they provide:

1. The Board of Managers, after consultation with the Diocese of Pennsylvania in Convention, consider plans to enable the Hospital to become eligible for state aid.
2. It is the intention of the Board of Managers to remain at the present area provided new funds for capital expenditures can be raised, and means found to reduce the present operating deficit; and
3. That the Board of Managers requests the Bishop to call a special Convention of the Diocese at the earliest possible date.

We are now assembled in the Special Convention called in pursuance of these Resolutions of the Board of Managers.

Under date of June 1, 1948, the Bishop appointed your Committee, which immediately assembled. It is to be noted, however, that your Committee has had only sixteen days in which to examine a most complicated situation, and one which has been the subject of Board consideration, Convention consideration, and even a survey by experts for a period of at least one year. Therefore, the conclusions reached in this report must necessarily reflect this limited period of time for study and consideration.

B. *Activity of the Committee*

Your Committee held three meetings, averaging at least two hours each, on June 4th, 9th, and 16th. At the meeting of June 9th there were present with your Committee six of the very active members of the Board of Managers, including the President, together with the Superintendent of the Hospital, Dr. Lucius R. Wilson and the Assistant Treasurer, Mr. Hilton W. Wilson. Your Committee was impressed with the earnest thought this Board has given its problem. In addition, your Committee has studied the Day & Zimmerman report, and has examined the Hospital physically and has had additional conferences with the Superintendent of the Hospital and other persons familiar with certain of the problems involved, or who could furnish data pertinent to this report. In addition, certain comments and suggestions on the current situation, both written and verbal, have been kindly furnished by the Bishop, and the Committee has had the benefit of the thoughts of the Chairman of the Committee on Religious Work of the Hospital, which Committee is entirely composed of the clerical members on the Board of Managers.

The Committee wishes to express its deep appreciation for the cooperation and information which were so cheerfully and frankly given by the Board, the Superintendent and the staff of the Hospital.

II. THE COMMITTEE'S EVALUATION OF THE STATUS OF THE EPISCOPAL HOSPITAL

A. *Physical*

Your Committee advises that the Episcopal Hospital is in a state of obsolescence and that, while there are certain new or remodelled buildings as a part of the unit, the buildings in which its basic operations are performed are such that they, structurally, should be completely renovated, if not replaced. Even the existence of the new Tower Building does not contribute much to modify the above statement, when the Hospital is viewed as a unit.

Your Committee particularly calls attention to the fact that the facilities of the power plant are such that their revision approaches the point of being a critical emergency item, and yet this revision itself poses a more complicated problem than appears on the surface as, for adequate operation, the whole electrical system of the Hospital should be transferred from direct current to alternating current. In addition the laboratory and X-ray facilities are inadequate, and the operating rooms sub-standard. Even the very necessary and required storage space involves a current fire hazard, specifically noted in the Day & Zimmerman Report.

B. *Personnel*

Your Committee wishes to state, at the outset, that it has made no evaluation of the personnel of the Hospital, whether professional or otherwise, nor is it equipped to do so, even had sufficient time been available. It does seem perfectly clear to your Committee, however, that a first-class professional staff cannot be expected in the future unless the facilities of the Hospital generally are vastly improved and, in particular, more private and bonafide semi-private rooms are available.

C. *Financial*

Entirely apart from financing required to make major capital improvements, the Hospital's operations are in a precarious financial situation. The year 1946 showed a deficit of $60,000.00; and 1947 a deficit of $123,000.00. The deficit for 1948 may rise up to $175,000.00, so far as the Board can furnish your Committee an estimate. It might be noted parenthetically that these deficits include an item of approximately $48,000.00 for depreciation, so that the cash deficit was, in fact, $12,000.00 and $75,000.00 respectively and might be $127,000.00 for 1948. As the Episcopal Hospital is the only hospital in the Philadelphia area, of which the Committee is aware, that carries a depreciation item, and as they feel that this item in most hospital financing is theoretical, it is suggested that in future it might be eliminated. Nevertheless, the situation is immediately alarming, as this deficit arises after the inclusion of all income items, including specifically Community Fund contribution and current Diocesan support.

It is true that a change in general economic conditions, particularly in salary and wage rates might alleviate this operating crisis; but your Committee feel that they cannot make the assumption that such a change is foreseeable in the immediate future.

Finally, your Committee emphasizes the fact that they consider the capital requirements of the Hospital, in the shape of renovated and replaced physical properties, as being paramount to the consideration of an operating deficit.

D. *Religious*

Your Committee hopes and believes that they are as sensitive to the traditional and beloved religious affiliation of the Episcopal Hospital as are our Bishops and this Convention. That the Hospital's Board of Managers is likewise appreciative of this unique element is evidenced by the fact that they have twice submitted to Special Conventions problems for discussion or proposed action for concurrence or other recommendation; and these submissions have been with the full knowledge that they, and they alone, must make the final decision.

Every large charity, whether with or without charitable trusts attached, finds itself forced to face changes dictated by progress in social, scientific, economic and religious thinking—changes not possibly conceived by its founders or subsequent benefactors. As only one Diocesan-affiliated example, the Burd School no longer "binds-out" its orphans, nor educates them within its walls, nor dresses them in "plain, uncostly uniforms," nor calls its Head by the penal-sounding name of Warden. Happily such changes are more frequent (as those just mentioned) in the practical, every-day field of operations and may not touch a religious connection. Here we are faced with the possibility of loosening certain traditional Episcopal ties so as to meet the cost of scientific advance and slow changes in basic economic conditions.

Your Committee submits, however, that if such be necessary it will not defeat

1. the principal purpose of the founders and benefactors of the Episcopal Hospital in providing relief for the sick and suffering; and
2. it will not imply that their spiritual comfort as administered by the Protestant Episcopal faith will not be actively pursued, no matter what alternative plan for the future be adopted by the Board of Managers.

If advance in science accompanied by advance in cost requires, then, the loosening (but not the dissolving) of some of the religious ties, your Committee is confident that the Convention will not condemn or censure the Board of Managers, or our Bishop as Honorary President of the Board, for squarely meeting problems caused by changing conditions, yet redoubling their efforts to increase the spiritual services to this charity by this Diocese.

III. Alternative Plans that Might be Adopted by the Board

A. Continuance of the Hospital in its present location and with its present Episcopal connection, with additional operating income from sources other than state aid, and with a campaign for large capital funds;

B. Qualifying for, and receiving, state aid, with a campaign for additional large capital funds.

C. Affiliating or merging with a medical center with or without state aid.

IV. Discussion of the Alternatives

A. Continuance of the Hospital at its present location, with additional operating funds from sources other than state aid, and with additional capital funds to regear the Hospital, is, in the opinion, of your Committee, an impossibility. At they regard the capital funds as primarily important, it should be noted in connection with obtaining them that—

1. The amount necessary in the opinion of the Committee may well exceed the two and three-million-dollar figures given for the renovation plans submitted as Plans A and B in the Day and Zimmerman Survey;

2. While the Committee is informed that membership in the Community Fund was acquired with the understanding that capital funds would have to be raised in some amount in the future, the exact amount of funds and form of capital improvements will still need approval of the Community Fund;

3. From informal discussions, it would seem quite doubtful whether the Dieman Committee will approve such a reconstruction of the Hospital; and the disapproval of the Dieman Committee might foredoom an attempt to raise such funds at the outset; and

4. In the Committee's opinion, it is extremely doubtful whether such funds are obtainable, even were there no other obstacles. Recent campaigns by hospitals located in areas with higher economic incomes have been most discouraging.

B. The acquisition of state aid might temporarily alleviate the operating deficit. In connection with state aid, however, it should be noted that, if granted (as it probably would be after Episcopal Hospital had severed its church ties), the amount payable the first biennium, starting June 30, 1949, would be probably $25,000.00 and no more than $40,000.00 per year until June 30, 1951. During the succeeding biennium, the Hospital might expect to receive approximately three-fourths of the maximum state aid or between $82,500.00 and $100,000.00 per year for the two-year period ending June 30, 1953. Thereafter the Hospital should receive maximum state aid, which currently is $260,000.00 per biennium, or $130,000.00 per year. However, it may be noted that state aid is not always the solution to operating deficits and, even granting the difference in management and operations, at least one other large hospital receiving state aid and having a far better ratio of private and semi-private patients as opposed to ward patients, is still running a substantial deficit.

The Committee further points out in connection with acquisition of state aid, that this applies only to alleviate or cure the operating deficit, and does not change the objections and obstacles to the raising of capital funds for regearing the Hospital, which have been mentioned previously, the obtaining of which funds the Committee earnestly feels is paramount to the curing of an operating deficit.

C. Affiliation with a medical center. It may be recalled by the Convention that the Dieman Committee recommended that a medical center be established in the Northern section of the City, composed of Temple, Lankenau and the Episcopal Hospitals. In addition, there have been informal but hopeful discussions with the University of Pennsylvania along the lines of the Episcopal Hospital becoming a unit of the University Medical Center, to the creation of which the University of Pennsylvania is committed. This latter would be possible along two lines—

1. Complete affiliation of the Episcopal Hospital with the University of Pennsylvania Medical Center (somewhat along the lines of Presbyterian Hospital-Columbia University operation in New York), and the complete abandonment of services at Front and Lehigh; or

2. A similar affiliation, but with the maintenance of maternity and outpatient departments as a field post of the University Medical Center at Front and Lehigh.

In any case of affiliation with a medical center, it is believed and your Committee has been advised that it would be possible to maintain the Episcopal connection through maintenance of the corporate identity of Episcopal Hospital, which would have control of the assets of the Episcopal Hospital, as they now are or may be increased. The income stemming from these assets would be payable to the medical center as the manager of the project, and a building or unit could be segregated and known as the "Episcopal Hospital," or some similar name, at the medical center. It is further believed that an affiliation with a medical center is possible which would not involve the Episcopal Hospital in contributing any impossible figure for capital changes.

V. Conclusions

Based on the above brief discussion, your Committee sets forth the following conclusions:

1. Capital funds and capital improvements are paramount to curing the operating deficit.

2. Funds in the amount of $3,000,000.00 or more, which would be necessary for modernizing the hospital, apparently cannot be obtained

(a) From the Diocese; or

(b) From the community, either locally or at large.

3. State aid would be obtainable only in full after a period of from two to four years and, at best, might result in being a palliative but not a cure for the operating deficit.

4. Affiliation with a medical center would not preclude a maintenance of the Episcopal connection, the corporate identity of the Episcopal Hospital, nor the maintanance of a building designated as the Episcopal Hospital, nor would it of necessity require state aid prior to affiliation.

VI. Resolution

Therefore, your Committee suggests to the Convention the adoption of the following Resolution:

Resolved, That it be recommended to the Board of Managers of the Episcopal Hospital that it negotiate with another hospital or other hospitals, with the view of affiliating with them in the establishment of a medical center; and that, if such negotiations seem favorable and practical, both in results and in time of completion, application for state aid (requiring church severance) be postponed until at least the next biennial period.

Respectfully submitted,

NOTE: *Messrs. Henry R. Dowdy and Charles S. Rockey and Dr. Thomas S. Stewart were unable to be present at the final meeting when this Report was finally approved. Their approval or dissent will be announced, if possible, at the Convention.*

Mr. Laurence H. Eldredge reported for the Board of Managers of the Episcopal Hospital.

Following the Special Diocesan Convention held last December, the Board of Managers employed the nationally-known engineering firm of Day and Zimmerman to make a careful survey of conditions at this Hospital and in the area which the Hospital serves and to determine future hospital needs in that area and the cost of supplying them. Day and Zimmerman made its report on May 14th, 1948 and copies of the complete report were placed in the hands of a Committee of the Diocese for study to enable the Committee to make its own report to this Convention.

That survey reveals that 88% of the hospital's inpatients come from an area within 5 miles of the Hospital; about 76% of all the patients come from an area within 3 miles of the Hospital. About ⅔ of the maternity cases come from an area within 2 miles of the Hospital. The population of the area which is principally served by Episcopal Hospital is about 295,000.

Most of the larger industries in the area maintain their own dispensaries attended by a nurse with a doctor attending periodically. Cases requiring more specialized or extended care are handled principally by clinics operated by doctors specializing in workmen's compensation cases.

At present the hospital's accomodations comprise 7 private beds, 122 semi-private beds, 359 ward beds, of which 82 are in Harrison Home, and 64 basinettes, or a total of 552 beds and basinettes. We have considerably more ward beds than we need. We do not have nearly enough private and semi-private beds. The Day and Zimmerman report indicates that the primary need for the future is a large increase in the number *of private and semi-private beds.*

I should point out to you that if these new facilities are added to Episcopal Hospital, the character of the Institution will be changed considerably. During most of its history, Episcopal Hospital has been almost entirely a ward bed hospital, devoted to providing care for people who could not pay for that care or who could pay very little. Consequently, in a literal sense, the Hospital was a charitable institution devoted to serving the needy. This fact constituted its principal appeal for contributions from the church to aid in its work. The development of plans such as the Blue Cross has caused a great diminution in the demand for ward beds and a corresponding increase in the demand for semi-private and private beds. Patients who utilize these semi-private and private beds cannot be considered as charity patients, though the cost of hospital operations today is such that even these so-called full-pay patients do not pay

the entire cost of having them in the hospital. In fairness to this Convention we must point out that while part of any future capital improvements at Episcopal Hospital, such as installation of a new power plant and electric sub-station, will be at least in part for the benefit of ward patients, the greater part of the expenditures will be for the benefit of patients who can in no way be described as indigent or charitable patients. The thought has been expressed in some quarters that the primary responsibility for paying for new semi-private and private beds should be borne by the community which will directly use and benefit by those facilities.

It is obvious to the Board of Managers that Episcopal Hospital cannot continue as it has in the past and that some major changes must occur. Every member of the Board of Managers has studied carefully the Day and Zimmerman Report dated May 14th, 1948, and this Report was in the minds of all of us when we held our last Board Meeting on May 27th. At that meeting we recalled that at the Special Diocesan Convention held last December the Convention requested the Board of Managers not to take any definite steps without first reporting back to the Convention and giving it an up-to-date picture of the situation. It was for that reason that the Board passed a resolution at its last meeting requesting Bishop Hart to call this Special Convention to consider the facts concerning the Hospital contained in the Day and Zimmerman Report, and to advise the Board of Managers what further financial support the Convention believes the Diocese of Pennsylvania is able and willing to give to the Episcopal Hospital. We have endeavored to present the facts to your Committee, which has already reported. We realize that the legal responsibility for operating the Hospital and for financing it is upon the Board of Managers and that the Board of Managers cannot delegate that responsibility. However, during the whole history of Episcopal Hospital, a close relationship has existed between the Board of Managers and the Diocese. We are anxious to have that close relationship continue, if possible. The good will of the Diocese has in itself been a spiritual, as well as a tangible, asset of the Hospital.

Your Committee is of the opinion that the new capital funds which the Hospital needs cannot be raised from the Diocese or from the community.

We note that the recent Bryn Mawr Hospital Drive for $2,500,000. of new capital has succeeded in producing only $1,500,00. If you tell us that, in view of the other demands for charity made upon good Episcopalians, we cannot expect to receive any substantial additional amounts from the church, then the next step the Board of Managers intends to take is to determine from a representative group of businessmen in the area served by the Hospital what they believe can be raised in that community. If Episcopal Hospital is to be looked upon primarily as a community area hospital, it seems proper to ask that community to assume the major responsibility for raising the moneys necessary to support the Hospital in that community and to keep it in that community. We have already placed copies of the Day and Zimmerman Survey Report in the hands of a number of representative businessmen in the area served by the Hospital, who constitute a Committee to assist the Board of Managers in determining what support can be expected from the community.

In connection with that Survey Report, it is only fair for me to say that some who have read it believe that certain portions of it might be termed a Gallup Poll of the community. I refer in particular to those portions of the Day and Zimmerman Report discussing interviews with doctors on the visiting and courtesy staffs, doctors in the area who are not on the staff, and interviews with other people who live in the community area now served. When I say that some who have read the report look upon it in this light, I do not mean by that statement, which is not intended as a statement of my own personal opinion, to in any way criticize the methods of Day and Zimmerman in reaching their conclusions. Neither does the statement question the conclusions, if you consider the Report in the light in which it was made. I am merely reporting to you that there are some members of the Board of Managers who wonder if the Report does not express the desires or demands of the persons interviewed, *rather than the actual needs of the area.* My reason for referring to this point of view is so that you may consider all sides of the question before determining what this Convention should do. The question whether the *desires* of the community are the same as the Hospital *needs of the area* raises a very basic question as to whether or not the area needs are in the last analysis in the best interests of Metropolitan Philadelphia as a whole. To put it a little differently—how much consideration should be given to looking at the hospital needs of Metropolitan Philadelphia and then determining the total amount of money which can be raised to meet those needs and where is the best place to spend it in order to provide a maximum of hospital service to the whole community, including, of course, the area now served by Episcopal Hospital.

Some of you are probably thinking what does the Board of Managers intend to do if it finds that neither the Diocese nor the area served by the Hospital can supply the moneys necessary to continue the Hospital on its present site as a general hospital. We cannot finally determine that question until we first determine what further aid can be expected from the church and/or from the community. If the necessary financial support is not forthcoming, then we must do the best we can with such moneys as are available to us. It is obvious that we will not be able to continue to operate an independent general hospital as we have in the past. We shall have to cut down the scope of our operations or enter into some type of association with either the University of Pennsylvania or Temple University, or do both. Our statistics show that a large part of the care we have given in the past to patients represents care provided in the maternity department and in the out-patient department. The Day and Zimmerman Report indicates that the primary neighborhood need is for a maternity center. The Report also says that for a capital expenditure of some $300,000. our modern tower building could be converted into a 115-bed maternity hospital. Based upon the assumption used in the Day and Zimmerman study, the operation of such a maternity hospital would vary from a yearly net loss of $38,000. to a net profit of about $34,000. It is the judgment of Day and Zimmerman that the probable net operating income reasonably to be expected lies somewhere between these two figures. If a maternity center was broadened to include gynecology and pediatrics, the costs would be higher with little improvement in operating income. An out-patient department can only be operated as part of a general hospital or as an outpost of a teaching institution. Both the University of Pennsylvania and Temple University have shown a continuing interest in working out some form of association with Episcopal Hospital. The University of Pennsylvania has expressed an interest in supervising, on the present site of Episcopal Hospital, a maternity hospital and an out-patient department, providing the other activities of Episcopal Hospital, with the exception of Harrison House and Home, could be transferred to the site of the proposed University of Pennsylvania Medical Centre. As pointed out above, the maintenance of a maternity hospital and an out-patient department on the present site of Episcopal Hospital would retain within that area a substantial part of the hospital care provided by us in the recent past. It would also provide an ambulance service from the present site of the Hospital to a new in-patient building to be known as Episcopal Hospital of the University of Pennsylvania Medical Centre, which would be quite similar to the Presbyterian Hospital in the Columbia University Medical Centre in New York. Episcopal Hospital would retain its present corporate set-up and have full responsibility for its endowment funds. Some type of contract would be entered into under which the income would continue to be devoted to providing for hospital care, just as

the income has been used for that care in the past. As I have said above, the University of Pennsylvania has expressed its interest in developing such a plan. No specific offers have been made and no commitments have been entered into by the Board of either Episcopal Hospital or the University of Pennsylvania, nor have any detailed studies been made by the University of Pennsylvania.

Temple University has also shown a desire to enter into some form of association with Episcopal Hospital. A recent communication from the President of Temple expresses a belief that the trustees of Temple University would consider accepting the property now owned by Episcopal Hospital and maintaining a general hospital to serve primarily the citizens of Kensington. Temple's willingness to do this and to assume responsibility for maintenance and improvement of the buildings would be conditioned upon its receipt of the entire income from the present endowment and any new endowment hereafter received. Temple has expressed an interest in spending $1,000,000. almost immediately to improve and modernize the present buildings provided our Board of Managers would give title to all these buildings to Temple. It is very doubtful whether the Board of Managers has the legal power to give away to another institution assets of the Hospital. Temple has also expressed an interest in working out certain other types of association with Episcopal Hospital. Here again no details have been worked out and no specific offers or commitments have been made by the Boards of either Temple University or Episcopal Hospital.

I am referring to these discussions with two other great institutions because they do shed some light upon what may happen if we find ourselves unable to raise the money we need to continue to operate a large general hospital on our present site. This reference may give you some answer to the question of what may be expected in the event that neither the Church nor the community is able or willing to raise the very large sums needed to continue under the present plan of operations.

In addition, an affiliation with a teaching institution is important as an aid to improving the quality of our medical staff and the services we provide. Certainly we should explore fully what we can do with both Temple University and the University of Pennsylvania.

In any event, the time for decision is here. If new funds to meet the mounting deficit cannot be forthcoming from the Diocese in the amounts suggested as necessary, the Hospital must either seek State Aid or associate with another institution. No middle course now appears feasible. And if it is determined to seek State Aid, the decision must be made in the near future, if funds are to become available prior to July 1st, 1951. Postponement of this decision will cause the Hospital to lose the bulk of its remaining general fund and rob it of its freedom of action, thus, in all probability, forcing it to seek a merger with an institution willing to shoulder the operating responsibilities. Furthermore, a continuance of the present uncertainty under which the Hospital is operating can only mean a marked decline in the activities of its staff and of its service.

An amendment by Judge Van Dusen omitting the last nine words as follows:

"be postponed until at least the next biennial period."

The Amendment of Judge Van Dusen's was accepted by Mr. Edward S. Morris for the COMMITTEE OF NINE.

The Rev. Frank Damrosch, Jr., presented the following resolution which on vote was defeated.

RESOLVED, That this Convention express to the Board of Managers of the Episcopal Hospital its earnest conviction that whatever plan be determined on for the future of the hospital, the utmost effort be made to maintain the counselling between the hospital and the diocese and to maintain the service needed by the community surrounding the hospital.

Mr. E. Osborne Coates presented the following amendment: "and to explore the possibility of operating as a smaller unit with or without connection with another hospital, as an Episcopal Church Institution."

On vote the amendment was adopted.

The following Resolution was adopted by division Ayes 176, Noes 25.

RESOLVED, That it be recommended to the Board of Managers of the Episcopal Hospital that it negotiate with another hospital or other hospitals, with the view of affiliating with them in the establishment of a medical center; and to explore the possibility of operating as a smaller unit with or without connection with another hospital, as an Episcopal Church Institution and that, if such negotiations seem favorable and practical, both in results and in time of completion, application for state aid be postponed.

The Rev. Mr. McKean offered the following Resolutions, both of which were adopted:

RESOLVED, That the bill for the installation of the Public Address System and other expenses connected with the Special Convention be approved and referred to the Committee on Expenses.

RESOLVED, That the thanks of the Convention be tendered to the Rector, Wardens, and Vestry of the Church of the Holy Trinity for the use of the church for the meeting of the Convention.

I should like to mention the names of many other men and women who have served so faithfully in the Church militant, but times does not permit. As we think of them, we do feel a bit left behind and at the same time there comes to us a realization that our best tribute to them is more devoted service here. May we, as we take counsel together for our Lord's work in this diocese, be cleansed from all pettiness and unworthiness. May we ourselves be led of God, so that all the actions of this Convention will be marked by great daring and an eagerness to share with joy in the spread of God's Kingdom.

LET US PRAY

O God, who art the strength of Thy saints, and who redeemest the souls of Thy servants; We bless Thy Name for all those who have died in the Lord. Especially we call to remembrance Thy loving kindness and Thy tender mercies to these Thy servants. For all Thy goodness that withheld not their portion of the joys of this earthly life and for Thy guiding hand in their service through the Church, we give Thee thanks and praise. Especially we bless Thee for Thy grace that kindled in their hearts the love of Thy dear Name; that enabled them to fight the good fight and to keep the faith. We pray Thee that, having opened to them the gates of larger life, Thou wilt receive them more and more into Thy joyful service; that they may win with Thee and Thy servants everywhere the eternal victory. And grant, O Lord, that we, who rejoice in the triumph of Thy servants, may profit by their example, that becoming followers of their

faith and fortitude, we may labor more abundantly for the spread of Thy kingdom with gladness of heart and self sacrificing spirit. Through Our Lord and Saviour Jesus Christ who liveth and reigneth with Thee and the Holy Spirit one God, world without end. Amen.

It is with gratification that I report that 80% of the churches of the Diocese have increased the salaries of their clergy. The increases vary from $200 a year to $2,000. In line with this the Department of Finance has increased the salaries of the employees in the Church House. I presented the need of increased salaries for missionaries and rectors of aided parishes to the Executive Council and the Commission on Rectors' Salaries and Pensions and both groups approved an increase of $300 to the clergy receiving the minimum salary.

Last fall, and again this Lent, the Field Department under the able leadership of Dr. Shreiner, arranged a series of Convocational conferences for laymen. The subject chosen was, "How a Layman can help his Bishop." Bishop Remington and I were asked to lead the conferences. I want to express my gratitude to the laymen for the splendid way in which they attended these conferences and to all those who helped to make these conferences worthwhile. Bishop Remington and I appreciated the opportunity of considering with our laymen spiritual objectives. So often our conferences with you are limited to business problems.

In 1865 the Diocese of Pittsburgh, comprising twenty-two western counties, was set off as a separate diocese. Our Convention voted that they were not entitled to any part of the Episcopate Endowment Fund, so they had to start from scratch and, although they have less than one-third the number of communicants that we have, they have gone ahead of us in their Episcopate Endowment Fund. The same is true of the Diocese of Bethlehem. Set apart in 1871, it has gone ahead of us with a smaller number of communicants than the Diocese of Pittsburgh. Here are the approximate figures as of December 31, 1947.

ENDOWMENT OF THE EPISCOPATE

Pittsburgh	$318,457.89
Bethlehem	$248,882.11
Pennsylvania	$200,085.18

The encouraging thing is that our Fund has almost doubled in the past few years under the leadership of Mr. Clarence M. Brown and his Committee.

Last year the Convention authorized the appointment of a Financial Secretary, in accordance with the recommendation

of the Committee on Administrative Needs. On October 1st Mr. Isaac E. Leech, a vestryman of All Saints, Wynnewood, took this position and he has been of great help to me. Using these months of experience as a guide we have recently transferred to the Financial Secretary some of the duties which Dr. Long has performed as Secretary of the Executive Council. One of these concerns the Proportionate Share which you give for the support of the work of the Diocese and General Church. All questions concerning the Proportionate Share should be addressed to the Financial Secretary. Mr. Leech stands ready, on your invitation, to meet with vestries, explain the program of the Diocese and furnish any information concerning the same which your parish may desire.

The Committee on Administrative Needs has continued its study of the administrative set-up of the Diocese and is planning to suggest other changes. They have not accomplished as much as some of its members had hoped, but they are proceeding cautiously because they do not desire to upset the many fine things now being done. There are instances of overlapping which the Committee desires to eliminate. There are other instances where they desire to fix clearly who is responsible for decision and execution of a given project. From time to time I have matters referred to me and I am not sure whether they should be handled by the Executive Council of the Diocese, the Executive Committee of a Convocation or a Special Commission of the Convention. I am convinced that the laymen are right who have shown a real interest in relieving the bishop of business details in order that he may devote his time to a stronger spiritual leadership of the Diocese. When I think of the hours that I have had to give to questions arising under our new marriage canons, I sometimes wonder what my predecessors did with their time! I want to assume the major responsibility for the slowness with which we have moved in the revision of our administrative set-up but we have to be careful not to lose well established values in our present methods.

On December 15, 1947, a Special Convention was held to consider the future of the Episcopal Hospital. At that Convention, a Committee was appointed to confer with the Board of Managers of the Hospital in reference to a closer relationship between the Diocesan Convention and the Hospital Board of Managers. The Committee's Report is before you and will be acted upon tomorrow. It seems to me that the Report is a very thorough and wise one. I hope, therefore, that this Convention will be willing to postpone discussion of the future of the Hospital until a Special Convention to be held in the fall.

I have consistently brought to your attention the needs of our Divinity School in Philadelphia. I want to thank the clergy and laity for your generous support and for your patience with our efforts to have our school accredited. Considerable progress has been made and, with your continued support, we hope to attain that goal in the near future. The Divinity School has sustained a very great loss in the death of three of its most active Trustees, Mr. William B. Read, Mr. John S. Stokes and Dr. Thomas S. Gates. Their advice and active work for the School will be hard to replace.

This year I should like to call your attention especially to the Department of Women. The need is very great for trained women workers as Directors of Education, Parish Secretaries and Social Service Workers. The Church Training and Deaconess School Board has purchased a dwelling to house our women students. Money is needed to equip and maintain this house, known as St. Mary's House. I would like to see our Diocese take an interest in making this department such that it will attract an increasing number of college graduates who would like to equip themselves for full time service in the Church. Mrs. George Bland, President of the Board, will be glad to tell you definitely how you can help.

The constant shifting of populations has made necessary the sale of some churches and the merging of parishes. This process is likely to continue in the Diocese. We should be concerned with the future use and the immediate care of the furnishings and adornments of such merged churches. In the past, the furnishings have been stored without any regard to an inventory or any study as to their possible use in the future or they have been sold to the highest bidder. In several instances these furnishings had an actual financial value to the Diocese. As the program of establishing new suburban missions goes on, the necessity for furnishing them becomes a vital factor not only for the local community but also in the Diocesan budget.

We would suggest to the Property Committee of the Executive Council that they find some central storage place where they could place such church furnishings as vestries agreed shall become the property of the Diocese.

Upon the invitation of our Department of Christian Social Relations the Presiding Bishop visited Philadelphia on March 18th and addressed a largely attended meeting in Holy Trinity Church on the recommendations of the President's Committee on Civil Rights. These recommendations should be on our hearts and consciences as Christians. At the same time we may differ sincerely as to the best methods of achieving the desired goals. We should never cease to

try to have the mind of Christ in reference to equal opportunities for all, regardless of race, color or creed, and we should pursue the course which we believe will lead to that end. In doing so, we should have the Christian courtesy to understand that it is a simple matter to pass high sounding resolutions about how this or that business should be run as long as the responsibility rests upon other shoulders. We should bear this in mind if it seems to us that our colleges, hospitals, business firms and our own Church do not move as fast as some think that they should in undertaking to carry out all the recommendations of the President's Committee on Civil Rights.

In 1947 there were additions of $7,232 to the Christmas Fund. Of this amount the major portion came from the late Jacob F. Weinmann. Finding that his pension from the Church Pension Fund was inadequate, the Christmas Fund had been able to grant him a supplemental pension. When the Rev. Mr. Weinmann died, he left the Christmas Fund the sum of $5,140.77 to extend to others the same kind of help that had been extended to him. Of the remaining $2,091.23, $1,140.00 came from All Saints Church, Moyamensing, in memory of the Rev. John E. Hill. I hope that this Fund will be kept actively before the Diocese because the income from it enables us to meet a good many critical situations. The pensions paid to the widows by the Church Pension Fund are pitifully inadequate, but obviously the Pension Fund can only pay in dollars. The Trustees of the Pension Fund have no way of controlling the value of the dollar. Before March 1, 1917, the Church had no Pension Fund and, therefore, the widows of the clergy were not receiving any pensions from the Church. The pension of $300 or $400 was a great boon to the widows of the clergy. I do not need to tell you that it is difficult to live on that amount of money at the present time. The Christmas Fund can at least help to make the situation a little better in the most critical cases.

APPENDIX B

Convention Address Suffragan Bishop

Many people are deeply concerned about how the ark of God is going to survive in the troubled waters of our changing world. This state of mind is by no means unusual in the long progress of humanity, particularly when vast social, economic, and political upheavals were taking place. The Christian Church was not born in the age of Pericles nor in a Victorian era. Christian character was never made in walking easily along a broad highway but in climbing a narrow, rugged trail which leads to the heights.

The drift of American life ever since the end of the first World War has been more and more towards secularism: the abandonment of God as Lord, the Creative Partner in what man considers his own business. The result has revealed to all thinking men the danger of confusing means with ends. The acquistion of wealth as the chief end in life has brought Western civilization to a dead end. The cure is a return to that type of living which knew how to put "things" in their proper place in relation to the ultimate end of all man's striving, the attainment of an abundant and satisfactory life. Once again rings out the challenge of Jesus, "What doth it profit a man if he gain the whole world and lose his own soul."

The Church has been teaching and practicing this truth ever since Jesus proclaimed it, but since the beginning of the machine age and man's conquest of his environment, it has become increasingly difficult to convince a doubting world of the practical applications of such a doctrine. As material prosperity has increased, our allegiance to Jesus' Kingdom of God and His righteousness has declined. Jesus was no ascetic, but He saw clearly what would happen when "things" were in the saddle. The lust for power and possessions breeds strife and war and men and nations destroy the very things for which they have labored.

All other considerations are of little consequence beside this vital concern of the Church as we face a changing world and the possible loss of a faith which once made America great.

The relative strength of the Churches, both in wealth and in adherents, is greater than ever in our history, but the

depth and power of our convictions has lessened as we have been influenced by a secular society. A warning is needed that the severest test which can come to a Church is the test of prosperity. With God, numbers are of little concern. Has He not set the stars in His vast universe and held the waters in the hollow of His hands? What God expects of man is character, worth, and dignity; values which cannot be won by mass production.

A frank examination of the state of the Church will reveal some "vital statistics" which would be of supremest concern to the mind and heart of our Lord. Lapsed communicants, increased divorce, disintegration of family life, fewer men offering for the sacred ministry, pitiful financial support of the Church and her mission in comparison with what we spend on our own luxuries and pleasures — all these things bear witness to the failure of God's people to put His Kingdom first. One evidence of this failure is to be seen in ways and means of raising funds even for the Church. Apparently unable to win sufficient financial support, some churches have resorted to Bingo and other means of a gambling nature. All life is more or less of a gamble and it is hard to know where to draw the line. However, when people are being encouraged to give their "winnings" in a game or take a "chance" on a lottery, it becomes difficult to teach them how to support the Church and its work as primary obligations. We need to make real what we say in the Communion Office: "Here, O Lord, we present unto Thee ourselves, our souls and bodies to be a reasonable, holy, and living sacrifice unto Thee."

I cannot think of any problem in the National Church, in Diocesan or parochial affairs which could not be settled when once again we resolve to take our confirmation vows seriously and follow Jesus Christ as our Lord and Saviour. Peace would come to the warring factions within the Church, family relations would be adjusted, God would be worshipped every Sunday and in the dedication of our wealth and our service, and in the practice of our religion in business and social relations.

The handwriting on the wall is now plain to all thinking men. Our civilization can no longer remain half slave and half free; slave to our preoccupation with possessions and yet longing for the freedom of the Sons of God.

The Church has been accused of "other worldliness", but it now appears that there is no other world in which man can survive than the City of God where Christ reigns and where there is a tree, the leaves of which are for the healing of the nations.

By the Grace of God, we can see much progress during the past year in our efforts to mobilize our spiritual forces to meet the impact of a godless world. Titanic and Satanic forces have been released against which only God can *prevail*.

Evangelism

In a great Diocese like Pennsylvania, any program for evangelism is dependent very largely upon the interest taken by individual rectors and the planning which a parish makes. Quiet Days, Parochial Missions, and a special series of sermons have been used. There's one method which I should like to emphasize. There is great need for small classes or discussion groups which can be both helpful in solving personal problems and in the training and winning of new disciples. There has been an increasing demand for the formation of such groups during the past year largely due to the fact that we have concentrated so much thought on the subject of evangelism.

These methods ought to lead towards the enrichment of our discipleship and the expansion of the Church through personal contact. In the preparation of candidates for confirmation, it would be wise to put added emphasis upon the consent of the will. There should be very definite convictions followed by commitments when persons are being confirmed. The presentation of very young children seems to me unwise unless they have reached that maturity when they can understand fully what is expected of them. Before we can make any great progress in evangelism, we shall have to re-think what is demanded of us in our following of Christ as Lord and Saviour.

Institutions

Ever since my coming to the Diocese of Pennsylvania, the Bishop has asked me to keep in close touch with those social institutions which were started by Diocesan authority or initiated by members of our Church.

In spite of the fact that the Committee on Relation Between Convention and Diocesan Institutions was discharged from further consideration of this subject at our last Convention, I have continued my interest and spent much time in an effort to relate the various institutions and agencies more definitely to the Church. This has been a most interesting task, but one which has taken a great deal of time.

The changing conditions under which most of these agencies and institutions are now working are going to require of the Bishops and of our Diocesan authorities a rather

radical re-thinking of our responsibilities. The struggle against poverty and disease, the abolition of slum districts, the protection of human rights, and the care of the aged have always been of deep concern to the Christian Church. Now these problems are beginning to be seen in the light of great economic and social needs for which the whole community is responsible. Every large city and state as well as the Federal Government is engaged in combating those forces which destroy human welfare. The problems are now too great to be solved by any one Church or by a combination of all of the Churches. We should rejoice that the Christian Churches, and particularly our own Diocese, have had such a large part in initiating movements which are now taken over very largely through state appropriations, the Community Chest, and carried out by social welfare workers. There is danger, however, and much loss when the Church fails in its effort to penetrate all these institutions and agencies with the spirit of Christ. Human society needs regeneration even more than it needs rehabilitation. You can clean up the slums and provide new housing facilities, but they will return to their old condition unless you can lift people to higher levels and change their moral attitudes. If our American Way of Life is to survive, it must have the leaven of Christian love, mercy, and care. Otherwise, we will wage but a "cold war" on the evils of modern society.

Our care of the aged needs reconsideration in the light of modern conditions. The prolongation of the life span and the unwillingness on the part of families to take care of their own aged parents have created a situation which is really tragic. We have five institutions directly engaged in this work, largely for our own Episcopal families. In these institutions, we can provide for a comparatively small number and the list of applicants is rather startling. We are in process of organizing a Consultative Board whose purpose it will be to try and suggest an over-all plan which will meet more adequately the needs of our old people.

Diocesan Conference Center

Throughout the year, the conviction has been growing that the Diocese needs better facilities for conference, discussion, and fellowship. Our young people should have a place which belongs to the Diocese where schools can go on almost continuously throughout the summer. It has been the Church's experience that such gatherings can become powerhouses in spreading the gospel of the Church. Not only do our young people need such a place, but our clergy, our laymen, and our laywomen. When we all work naturally and normally and then seek a fellowship away from our ordinary business

and much-occupied lives, we draw both nearer to God and nearer to one another. Your Bishops are very hopeful that such a place may be secured in the very near future. We feel sure that the entire Diocese will be interested and support this project.

Missions

It is hoped that the emphasis on evangelism will bring a revival of the real spirit of missions. The spread of the Gospel is the life blood, the pulse beat, the lung's breath of the Body of Christ. Without a willingness to share with others what we have found in our Church, our contribution to the conquest of the world for Christ will not be made. Since the depression in the thirties, our support for missionary causes has declined and has never been restored to its former place in the giving of the Church. We have been largely concerned with "holding the line" rather than with advance. The time is now definitely at hand when we must think of Jesus' Kingdom of God as the one hope for peace in our world. The United States has been thrust into a position of leadership for which we have had little experience. In the past, our branch of the Holy, Catholic, and Apostolic Church has had a large part in the moulding and perfecting of the American Way of Life. Our task is not done. It is one thing to pioneer a country; it is another to perfect, stablish, strengthen, and settle it. The first great missionary impulses of the Church gave us great names in the conquest of the continent as well in the planting of the Church in foreign fields.

Today we are beginning to think of missions in terms of One World. No longer can we distinguish between foreign or domestic fields. If we in Pennsylvania do not care adequately for those at home who are looking for the light and for moral and spiritual health, our witness will be weakened in every part of the world. This in no sense means that we should decrease our giving to the National Church; our apportionment is still far below our capacity to support a program of expansion. We must not cut down our gifts for work outside our borders, but, if the Diocese is to grow strong, we must lift our budget for Diocesan needs to higher levels.

As a former Missionary Bishop both in South Dakota and Eastern Oregon, I know something of the needs of pioneering in a mission field. I have found far greater needs in the Diocese of Pennsylvania because there are more people and consequently more sinners and more pagans. Our Church's expansion into new areas, our Diocesan agencies and institutions, and our various Departments in the Executive Council should have greater financial support if we are to meet the challenge of a growing and shifting population of three million souls.

Conclusion

During the London Blitz, an English Bishop, at a meeting of our House of Bishops, made this statement, which I have never forgotten. "Modern world conditions present to the Church the opportunity of turning the wrath of man into the glory of God." We work on in spite of opposing forces, but the very struggle we make gives us strength to go forward. We have but one fear for the Church — complacency, a feeling of false security when the world is on fire. We need consecrated and devoted leaders; our sense of liberty both without and within the Church must be re-enforced by deeper and stronger loyalties. We must have more applied Christianity in every area of life.

Finally, we must win again that missionary zeal which makes of our Church not a storehouse for our treasures nor a comfortable place where we can spend an hour on Sunday morning, but a *powerhouse* where new forces may be generated and released for the salvation of the world.

It was also thought that the Canons should be so amended that the Standing Committee can accept duties by the direction of the Convention of the Diocese rather than by Canon alone.

APPENDIX G

Report of the Treasurer of the Diocese of Pennsylvania, 1947

The report of the Treasurer of the Diocese of Pennsylvania for the year 1947, audited by Charles S. Rockey and Company, certified public accountants, is submitted herewith.

Once again, under the inspiring leadership of our Bishops and Clergy, supported by a devoted laity, we have met all our obligations. Our 1947 pledge to the National Council was almost $50,000 more than in 1946. In addition, the Diocese gave slightly over $100,000 to the Presiding Bishop's Fund for World Relief.

One hundred thirty-one parishes and missions overpaid their accepted proportionate shares. Forty-three paid in full. Only twelve paid less than the accepted amount, and four contributed which had no acceptances. The overpayments totaled $22,022.38, or 6.3% of the total amount accepted. The financial officers of the Diocese are grateful to the Clergy and laity who made this record possible.

A forward step was the fulfillment of the recommendation of the Committee on Administrative needs in having Mr. Isaac E. Leech assume the duties of Financial Secretary. With his long experience in banking and as a vestryman and accounting warden, Mr. Leech has been most helpful to all. As he familiarizes himself with the activities of the Diocese, his usefulness will be on an ascending scale.

Our thanks go to the Church House staff who have cooperated so willingly and efficiently in their many duties.

Report of the Departments of the Executive Council

THE DEPARTMENT OF MISSIONS

The situation with respect to shifting population in the Diocese and the problems arising therefrom as set forth in this Department's Report last year are still with us. The suburban work continues to grow. The Philadelphia work continues about the same with some parishes carrying on a vigorous work, some fighting hard to maintain themselves and others gradually losing strength by removals and deaths.

There is a general feeling in the Diocese, reflected in this Department that the churches in the Philadelphia area should be given greater opportunities to participate in the church extension which is going on beyond the confines of the city. This Department has considered and discussed the advisability of the plan for creating new Convocational lines so that this end might be accomplished. Our proposals have been referred to the Board of Strategy and to the Executive Council. They have also been made known to the special committee appointed by Convention to make recommendations with respect to the realignment of Convocations.

The members of this Department are practically unanimous in agreeing that the hypothetical line between our work in the city and that in the suburban and rural areas is a barrier to unified concentration upon church extension and we feel that something should be done to remove this barrier.

The Department acting through a committee composed of the Chairman and Deans, has conferred with the Negro Clericus to consider with them their recommendations for strengthening the work in their parishes and missions throughout the Diocese. At a recent meeting of the Negro Clericus and the Department's Committee, certain recommendations were presented and discussed. As adopted, these are amended to this report.

We have already recommended "that parishes in the city assign to themselves the task of evaluating again their work and surveying their present fields so that they may even now, in the present, look into the future and plan for vigorous continuance of their work in their present locations or in other parts of the Diocese."

The Board of Strategy after receiving information from the Deans through this Department, is at work under Bishop Hart's leadership, for the purpose of deciding upon new sites and the means to be employed in laying foundations early in new fields as they develop.

We are glad to report that St. Peter's, Broomall, is now flourishing; definite plans have been made for the new chapel for Ascension, West Chester; St. James has taken title to a property in Green Ridge; St. Alban's, Newtown Sq. is ready to build its first unit. St. Luke's, Chester, has voted to merge with St. Paul's, Chester and to become a Chapel of St. Paul's at Highland Gardens and St. Paul's has let a contract for a chapel at Highland Gardens at an estimated cost of $50,000. St. Philip's, Oreland, is carrying on a vigorous work in a rapidly increasing neighborhood and plans have been made to pay the salary of the Vicar in 1948. St. Paul's, Edgely, has been made more efficient by repairs and improvements. Penn Wynne and Gladwyne as well as the area in the neighborhood of the Temple Stadium have been discussed as fields to be developed, and tentative plans are under consideration. Oxford is also under consideration.

Through this Department, Bishop Hart has urged that care be exercised by Vestries in designating money or property which is bequeathed to the Church Foundation for the work of the Diocese to direct that such properties and/or the funds, or the income therefrom, shall be used or appropriated by the Bishop and the Executive Council, rather than by the Church Foundation as the latter acts as Trustee and is not organized to function as an administrative body, but to safeguard funds left for designated purposes.

A Committee was appointed to consider the possibility of using portable buildings and quonset huts as temporary Sunday Schools in new developments. This Committee, after a number of meetings, made a thorough-going and comprehensive report which was placed in the hands of the Deans and a copy left with the Secretary of this Department.

Attention was called by Bishop Remington to surplus furniture and church furnishings stored in various places and available for use. He asked that a committee be appointed by the Convention to make an inventory for the information of the Diocese and to supply future needs.

CHARLES E. TUKE, *Chairman*

DEPARTMENT OF CHRISTIAN EDUCATION

The Department of Christian Education fully realizes its great responsibility toward the younger members of the Church in guiding them in full understanding of Christian living and thought. It also acknowledges the fact that the field of youth work has been sadly lagging, and sorely needed awakening. Therefore, the department's particular attention in 1947 was necessarily focused on this age group in our Church, with the result that the youth work in this diocese was thoroughly gone over, and reorganized. So far the results have been most encouraging. However, it is strongly felt that the service of a full time youth worker is essential in this diocese, to further the youth program. A request for such a worker was made in the fall of 1947, but at that time the Executive Council could not see its way clear to grant the request. It is hoped that during the coming year ways can be found to meet this need.

To state that all our attention was placed on youth work would be far from true. All our committees, under the able leadership of the Executive Secretary, Miss Beryl M. Newman, and their chairmen, have worked extremely hard and put in a very successful and gratifying year. From the committee reports one can readily see a steady development and continued progress.

More than 110 volunteers, clergy and lay, have served in some capacity on one or more of the committees of the department. The faithfulness and devotion with which they performed the tasks and duties assigned to them, and their unselfish giving of their time and thought, are proof of their firm belief in the tasks they are doing.

Some of the high spots of the work of the Department of Christian Education during 1947 are:

- The Bishop's Conference at Pen Ryn, June 17th, 1947 – the emphasis was on – youth in the parish.
- The highly successful Summer Conference for the youth of our diocese, held at Beaver College.
- The organization of the Guild of the Little Children – a program to aid parents of pre-school age children.
- The sectional training centers held in the various parts of the diocese.

The Department of Christian Education feels very strongly that a Diocesan Conference Center would be of the greatest help in educating more groups of all ages to a better understanding of the Christian teachings, and thus further the development of the spiritual lives of the members of the Episcopal Church in this diocese.

The Adult Committee,
The Rev. J. Wesley Twelves, Chairman

The study, and experiments, in the field of Parent Education and Christian Family life, conducted for the past two years by the Adult Committee, have resulted in the formation of an organization known as the Guild of the Little Children. It is the purpose of this organization to provide aids that will awaken, or rekindle, and develop the spiritual life of the parents of young children and so prepare them to teach religion to the young child at home. Mrs. H. Burland Patterson is chairman of the Guild. The Guild has prepared kits of materials which they recommend, and these are being used by rectors and their parish visitors for the selecting of such material as is best suited to their parish. About 25 parishes in the diocese have made use of the kits and are planning programs under the guidance of the Guild.

Recognizing the great teaching value of tracts, the Adult Committee has prepared a Tract Rack with samples of some of the many good tracts that are available for use. The rack has been placed on the first floor of the Church House.

At present, the committee is making a study of the material available for adult education, both in our own Church and the several denominations. It is hoped that many more of the parishes may be encouraged to set up adult classes as this is a field too much neglected in our Church.

Church School Committee,
Mrs. George C. Bland, Chairman (until June)
Miss Elizabeth Jenks, Chairman (from September)

The Church School Committee again cooperated with the Special Offerings Committee in preparing a diocesan "Lenten Guide for Church School Leaders" which supplemented the Lenten Study material published by the National Council. The response to this project of the two committees makes it practically mandatory that this become an annual project.

The Church School Committee has long been conscious of the need for sectional schools of teacher training. Early this

year, the committee in cooperation with the Deans of Chester, Germantown and Norristown Convocations planned, and carried through, four regional Institutes for teachers in rural parishes. These meetings were held in April and May at Trinity Church, Collingdale; Church of the Incarnation, Morrisville; St. John's, Norristown; Holy Trinity, West Chester. The program began late in the afternoon and continued during the evening; classes were held for teachers in Nursery and Kindergarten, Primary, Junior and Senior groups; materials and work done by children of various ages were on exhibition. Each meeting was attended by teachers from the neighboring parishes.

The 77th Annual Church School Institute was held at the Christian Association on Monday, October 6th. This drew one of the largest and most interested crowds. The emphasis was on the Bible and Visual Aids, both timely subjects. Instead of the usual departmental emphasis, there were two speakers, one at dinner on "The Bible in the Church School Curriculum," the second, in the evening, on "Projected and Non-Projected Visual Aids," with demonstrations of each type.

Because Lent in 1948 is so early, the committee had to begin in November its preparation of the Lenten Study Guide on "The Bible Around the World" which is the children's part in the Church's study of World Evangelism.

Church School by Mail,
The Rev. John C. Knewstub, Chairman
Miss Dorothy E. Kohl, Director

During 1948, 284 children were enrolled in the Church School-by-Mail. During the year 78 children became affiliated with the nearest Sunday School, some moved away and still others outgrew the Church School-by-Mail, leaving 142 on roll at the end of the year. We had two baptisms this year. Lessons were mailed to each child for every Sunday during the year, and 76% respond with returned question sheets. 160 visits were made by the worker with the aid of 12 drivers – 8 clergy and 4 laymen. Two trips were made, canvassing for new families in outlying district of Oxford, Chester County.

182 scholarships were given by the parishes and missions for the support of this work. The children in the Church School-by-Mail gave a Mite Box Offering of $42.00.

A pamphlet explaining the work of the Church School-by-Mail was written and published by the committee. In the

spring of 1947, a second evaluation was made of the curriculum, and further revision suggested which is now in progress.

The parish participation program is now under way, with capable volunteers from Holy Trinity, Lansdale; St. James, Downingtown and Holy Trinity, West Chester doing a fine job in the field under the direction of the diocesan worker.

Schools of Christian Education Committee,
The Rev. Herbert W. Jones, Chairman

The Winter Conference was held on five Tuesday evenings, January 14th through February 11th with an enrollment of 91. The theme of the conference was "The Church Takes a Stand" (based on the book – Christianity Takes a Stand). With so small an enrollment and inclement weather, the average attendance was very poor.

The committee discussed the apparent need of sectional schools of religion. It was felt that especially in the interest of more effective teacher training, this was a necessity. The committee feels it is one of their responsibilities to stimulate and encourage the formation of sectional schools and to give such assistance as is needed.

The School of Christian Education was held six Tuesday evenings, October 14th through November 18th, 1947, with an enrollment of 250. This was an outstanding school in every respect. The enrollment was high, the attendance continued unusually good despite poor weather, and the spirit of the school was so outstanding that there were frequent comments made regarding it. The Rev. Stanley Brown-Serman, D.D., of Virginia Seminary; the Rev. Powel M. Dawley, Ph.D., of General Seminary; Bishop Hart, and other outstanding leaders of our diocese, contributed greatly to the success of this school.

The Committee, after much thought, decided not to plan for a Winter Conference in January, one reason being the very short period between Christmas and Lent.

Committee on Special Offerings,
The Rev. W. Roulston McKean, Chairman

The committee again cooperated with the Church School Committee in the preparation of a Lenten Guide. The aim of the guide is to aid those in the parishes responsible for planning the raising of the Lenten Offering so that the Lenten program is one of growth, spiritually and educationally.

The Lenten Offering for 1947 amounted to $60,545.42, an increase of $3,551.91 over the previous year. The offering was again presented at an outdoor service on the grounds of the Episcopal Academy. For the first time in seven years of holding the service out of doors, it rained – about 20 minutes after the service began, and the people scattered. The Rev. Nathanael B. Groton, who was the speaker, promised to save his speech until 1948.

The Advent Offering for 1947 was $1,247.16, and was to help build a rectory at Trinity Chapel, Solebury.

Our Church Schools, under the direction of Mrs. Lorin Blodget, Christmas Box Secretary, sent approximately 900 gifts to Liberia, and $75.00 to the Church Schools in Puerto Rico. They also supplied gifts for all the children in our institutions and missions where such were requested.

The Birthday Thank Offering amounted to $56.56.

Summer Conference Committee,
The Rev. Aaron Manderbach, Chairman

The Department of Christian Education, at the request of this committee, authorized it to proceed with plans to make the ninth Diocesan Summer Conference an all-youth conference. This was felt to be necessary that the needs of the young people of our Church might be better met. The conference was held at Beaver College, June 28th to July 3rd with a total enrollment of 192.

It is hoped that we will soon have a diocesan Conference Center at which time this committee will again plan for an adult Summer Conference.

Committee on Vacation Church Schools,
Miss Eleanor A. Deane, Chairman

The Vacation Church School which was first started almost a half century ago, is not generally recognized in our Church as an effective means of Christian Education of children. But, those parishes which include in their educational program plans for such schools during the summer months, are completely convinced that no other agency in the Church is as effective in the religious nurture of children as the Vacation Church School.

While we do not have a complete record of the number of schools held last summer, we know of 28 schools – seven of

which were financially aided by the department. Most of these schools while operating on a parochial basis, invited children of the neighborhood to attend, and thus performed a much needed service to the community.

Committee on Visual Education,
The Rev. Charles B. Mauch, Chairman

The committee has lost the services of the Rev. Gideon Montgomery, who left the diocese some months ago to take up his work in the mission field. However, the work of the committee continues in the interest of the diocese, acting in an advisory capacity for all those who call upon it. Visitations were made to nine parishes and missions to discuss visual aids with Church School staffs and Parent-Teacher groups. Through the co-operation of parishes, individuals, and of the Weekday Religious Education Committee, much in the way of slides, filmstrips, and projectors have been added to the property now at the Church House for your use. The Weekday Religious Education Committee, desiring to make available to weekday classes in religious education projected visual aids, and realizing the inadequacy of our lending library, purchased a new S.V.E. tri-purpose projector and several sets of slides and filmstrips.

Eight local firms were contacted and representatives were sent to the Church School Institute to display and demonstrate their equipment. The Philadelphia Council of Churches invited our activity on their Committee on Visual Education, and we meet monthly with the group to discuss and to plan and to carry into effect the policy of the Council in the field.

Committee on Weekday Religious Education,
Dr. Henry J. Gideon, Chairman

This committee was organized in 1939 to make a comprehensive study of the several types of weekday religious schools in this area. The first section of the report, prepared under the inspiring leadership of the late Helen C. Washburn, was published in pamphlet form in 1945. This report dealt largely with weekday schools of the parochial type conducted by churches on released time from the public schools. The committee plans to complete the second and final section of its report next year.

The forthcoming report will include the results of our study of weekday religious schools of the community type, and, also,

references to weekday religious schools conducted after school hours and on Saturdays. Inquiry is also being made into the spiritual concepts developed in our public schools through programs and units of study in the curriculum.

The weekday schools on released time which our committee has been studying, are located in this diocese, but outside the city of Philadelphia. The Inter-Faith Committee of the Philadelphia Council of Churches petitioned the Board of Public Education for authorization to establish five experimental weekday schools in Philadelphia on released time. This authorization has not been granted as yet. The Philadelphia Council of Churches planned also to initiate an informational program on weekday schools among the Protestant Churches of the city, but due to a pending case in the United States Supreme Court to determine the legality of such schools, it has been decided not to press the matter until a decision has been reached. That decision may have far-reaching results in the whole matter of weekday religious education on released time from schools.

Youth Commission,
The Rev. John Vander Horst, Chairman

Under the established relationship of Youth Commission and Youth Council, the youth work of the diocese is progressing. The high spots of the year include the Annual Convention at Episcopal Academy, which emphasized the four fields of worship, study, service and recreation; the Bishop's Clergy Conference, devoted this year to a consideration of youth in the parish, was held on June 17th at Pen Ryn, and was led by the Rev. Ralph W. Auten of the Diocese of Pittsburgh; and the inauguration of the convocational and district set-ups of the Youth Council, with sectional rallies of each. A Youth Program and Calendar was published twice during the year.

Under the impetus of the above, plus a course for Youth Leaders in the School of Christian Education, our young people are becoming better informed Christians, and consequently better able to broaden the youth work of the diocese. It is to be expected that the Convocational Councils will undertake active Evangelism, with an analysis of Youth work in the district, and a zealous prosecution of increasing youth participation in Church Worship.

Respectfully submitted,
PETER C. VANDER HIEL, JR.,

DEPARTMENT OF CHRISTIAN SOCIAL RELATIONS

In accordance with the report offered to the 1947 Diocesan Convention on the Survey of the Christian Social Relations needs of the diocese the Department met and organized with the following officers and sub-committee:

The Rev. E. Felix Kloman, D.D., Chairman
Mrs. Anne Harris, Vice-Chairman on Institutions
Mr. James Fleming, Vice-Chairman on Social Action and Education
The Rev. Leonard B. Rasmusson, Secretary

Sub-Committees were appointed with their Chairmen as follows:

Co-Chairmen on Race Relations, The Rev. E. S. Thomas, The Rev. Allen Kremer
Chairman on Christianity in Industry, Mr. Harvey Stevens
Co-Chairmen on Mental Health, Dr. Edward Burn, The Rev. Robert Morris
Co-Chairmen on World Service, Mrs. George Trowbridge, The Rev. J. G. Armstrong
Chairman on Publicity, Mrs. J. Harold Austin.

Other sub-committees are to be appinted as the work of reorganization of the Department proceeds. This will be slow, but it is hoped that it will be permanent and worthwhile to the social education and action of the Diocese.

Since the Executive Council of the Diocese could not see in view the amount needed to appoint a full time Executive Secretary of the Department in accordance with the vote of the Diocesan Convention of 1947 the budget had to follow the lines for that of 1947. The Department asked for $8,820.00, but was allotted $1,000.00 plus $300.00 for the "World Order" Committee under the able direction of Bishop Remington. The budget is as follows:

Office Expenses	$ 300.00
Promotion and Education	200.00
Philadelphia Council of Churches	150.00
State Federation of Churches	100.00
Federation Council of Churches	100.00
World Council of Churches	50.00
Central Committee, Diocese of Pennsylvania	100.00
Committee on World Order	300.00
	$1,300.00

It is necessary to be very brief in the rest of this report for the Department has found it very difficult to continue under an entirely volunteer program of education and action. It has been several years since the appointment of a full time, trained, Executive Secretary was recommended. When the Convention of 1947 passed the recommendations of the Department, hope was raised that this would be accomplished. However, since the Budget Committee of the Diocese could not see the money in sight to add to the diocesan Budget, this hope was blasted. It meant that the volunteers had to continue to try to carry on a heavy program that the Department had set for itself. To assist the Chairman and the Secretary Miss Florence Davies offered her services for one morning a week. With the help of women appointed by the Woman's Auxiliary Department of Christian Social Relations under Mrs. George Trowbridge the program will move along slowly toward the goal that has been set. Executive Committee meetings are scheduled for once a month, and the volunteer workers meet with the Chairman and the Secretary once a week.

The Department has been very fortunate in having Mr. Harvey Stevens head the Committee on Christianity in Industry. This Committee will have an important part in trying to bring the Spirit of Christ into the workings of Industry. It has not been entirely organized as yet, but it is hoped that in a few months a larger Committee, representative of Management and Labor and the Church, will be formed.

Since this report has to be made so far before the meeting of the Convention, we can only report that the Interracial Committee under the leadership of the Rev. E. S. Thomas and the Rev. Allen Kremer is still planning to advance the better relationships between races and that material will be sent to the clergy of the Diocese to assist in the keeping of Brotherhood Week in February.

Another Committee that is functioning with increasing support is that on World Service. Mrs. George Trowbridge is to be congratulated on her able handling of the Material Aid program of the Woman's Auxiliary. Mrs. Trowbridge with her Co-Chairman, the Rev. J. G. Armstrong, are carrying on the task of raising money for the Presiding Bishop's Fund for the year 1948. We know that with their enthusiasm this work will find fulfillment in raising the money asked of the Diocese of Pennsylvania.

The Mental Health Committee is doing its work well under Dr. Edward M. Burn and the Rev. Robert Morris. It is still ready and willing to help the parishes of the Diocese in this important part of Social Work.

The Department could report much more is the way of accomplishments in the year 1947, but we hope that this work already begun will continue and that more will be accomplished in the year ahead. The members of the Department will give more and more of their time and energy as the months pass. But they all hope that the day will come when the ideal Department will be organized with a full time, trained, and qualified Executive Secretary.

LEONARD B. RASMUSSON,
Secretary

REPORT OF THE DEPARTMENT OF FINANCE

The Department of Finance met bi-monthly except during the summer of 1947 and gave constant thought and study to the many financial problems confronting the Diocese throughout the year.

The Committee on Financial Safeguards, a sub-committee of the Department of Finance, with Mr. Edward B. Clay as Chairman, has met during the year, and their report will be found elsewhere in the JOURNAL. Mr. Isaac E. Leech is now serving as Financial Secretary.

The Department notes with pleasure that all bills of the Diocese, and its Expectation to the National Church for 1947, have been paid in full.

JOSHUA ASH PEARSON, *Chairman.*

REPORT OF THE DEPARTMENT OF PUBLICITY

The general news releases of the Department to the secular newspapers and the national Church press is one of the constant, daily jobs accomplished. Although one Philadelphia daily newspaper has discontinued publication, the scrap book of clippings kept in the office of the department shows about as many clippings as in the period before the newspapers were reduced in number. More and more we find a disposition on the part of the secular papers to print Church items. Most

every day brings inquiry from the newspapers as to details of events in the news as they affect the Church's interests. Releases to the city papers are sent regularly once a week, and more frequently when occasion demands.

Bishop Hart has appointed the Rev. Henry S. Paynter as Editor, in addition to his duties as Director of Publicity for the Diocese, and as Business Manager of the CHURCH NEWS. In gathering material for CHURCH NEWS Mr. Paynter is in constant touch with the various departments and institutions of the Diocese, as well as the rectors and vicars of all of our parishes and missions. He attends all conferences, conventions, convocations, and other meetings held throughout the Diocese to report Church happenings for our own magazine and for the secular and national Church papers.

The Rev. Albert O. Judd, Editor-in-Chief of the CHURCH NEWS since January 1945, resigned that post to devote all of his time to the growing demands of his parish. During his term as editor, Mr. Judd enlarged the news content, scheduled the time of publication so that the date line on each issue is now promptly met, and contributed a series of editorials which attracted wide and favorable comment. Fortunately he will continue to be associated with the staff.

The Associate Editors of the CHURCH NEWS are the Rev. George Copeland and the Rev. Albert O. Judd, both of whom have left their marks upon the magazine and will continue to write its editorials and give their counsel in its production. This list could be indefinitely extended to include Mrs. Hart, both of our Bishops, and many of the clergy and laity who are always helpful in contributing to our pages.

Miss Ethel Stenger has been assigned as a full time worker in the Church House office of the Department, where she has proven most helpful in handling telephone inquiries, correspondence, and the records and accounts pertaining to the work of the Department. In connection with the CHURCH NEWS advertising accounts and subscription records there is an endless work requiring much attention to detail.

Although the cost of printing, distribution and other items connected with publication have sharply advanced, the CHURCH NEWS has more than paid its way, through increased advertising income. No change in the cost to subscribers had been made. The greatest need of the CHURCH NEWS is more readers. Such increase in circulation as has been achieved, has

been possibly only through the clergy and the vestries. The monthly circulation is about 6500 copies. The department solicits more universal co-operation of this kind from all of our parishes and missions, so that the CHURCH NEWS may be sent to every Church family in the Diocese.

R. MARSHALL TRUITT,
Chairman

REPORT OF THE DEPARTMENT OF PROPERTY

During the year the Department of Property, supervised the completion of the renovation of No. 352 Penn Road, Wynnewood, which was purchased for the Bishop Suffragan, and arranged for the erection of the Bishop Mackey-Smith Memorial Plaque in the house.

A house at No. 210 South 37th Street was purchased and altered for the use of the Episcopal Representative at the Christian Association of the University of Pennsylvania on behalf of the Corporation for College Work of the Diocese, and the Episcopal Committee of the Christian Association.

An estimate was obtained for the rebuilding of Christ Church, Eddington, necessitated by the danger of the collapse of one of the walls.

Several properties were visited with a view of selecting a suitable location for the Diocesan Conference Center. The Committee earnestly desires information concerning additional possible sites in the surrounding counties.

The Church House was maintained in good physical condition.

Respectfully submitted,

RONALD J. MCCARTHY,
Chairman

FIELD DEPARTMENT, 1947

"How a Layman Can Help His Bishop" was the subject discussed at the Convocational Conferences promoted by the Field Department in the early fall.

Bishop Hart and a number of laymen addressed the clergy and vestrymen and gave the work of the Diocese a splendid impetus.

One of the great needs of our Diocese today is a Conference Center where groups of laymen may meet with the Bishops and other leaders to deepen their spiritual lives and to translate growth into active service in the Diocese.

The Field Department decided to issue its own literature for the Campaign for 1948. An attractive leaflet giving much information on the work of the National Church, the Diocese, and the Parish was made available. We are grateful to Mr. Roy McKee and to Mr. Theodore Leonhardt for their valuable assistance in preparing and executing this Field Department pamphlet.

The Clergy and the Every-Member-Canvass Chairmen are to be congratulated on the way the Every Member Canvass has been presented in the last several years. The results speak for themselves. We have been able to meet all committments, including our increased share of the National Budget.

The Diocese of Pennsylvania plays an ever-increasing part in the life of the Church. To the many other things in which Pennsylvania has led, we add two more – The United Thank Offering, which amounted to $37,834.69, and our share of the National Budget, to which we gave more than $203,000.

We have been given the opportunity of leadership. May we always lay hold of this opportunity.

CHARLES W. SHREINER,
Chairman

REPORT OF COMMITTEE ON FINANCIAL SAFEGUARDS

The committee is greatly pleased at the response to the questionnaire sent to Parishes and Missions in the Diocese on March 16th, 1948.

As of April 12th, 1948, one hundred and fifty-five answers were received and of these one hundred and five signified that they were complying in the full observance of Canon XVI.

Thanks to the co-operation of Messrs. Charles S. Rockey & Co. an offer of a special audit plan, whereby the audit took place at the Church House, at a very reasonable cost was sent to Parishes and Missions and we are pleased to report that a considerable number of Parishes took advantage of this plan.

There is a certain amount of non-compliance on the part of some Parishes.

In checking over these reports we feel that continuing efforts throughout the year will serve to constructively point out the advisability of full observance of Canon Law.

Mr. Isaac E. Leech, the Financial Secretary of the Diocese is quite willing to meet with vestries at any time in an effort to promote further compliance.

EDWARD B. CLAY,
Chairman

REPORT OF THE COMMISSION ON RECRUITING FOR THE MINISTRY

The Commission on Recruiting for the Ministry held a Conference at St. Mark's, Frankford, for junior and senior high school students and college men June 13th at which there were about fifty present, the largest number we have ever had. A second Conference was held at St. Matthew's Church, Francisville, for similar age groups December 5th with some thirty students in attendance.

If we may judge the value of these Conferences by the comments of the young men who come to them, it would seem that they do much to help bring the qualifications for the Ministry, its problems and its privileges, to men at a period in their lives when they are endeaving to decide what their vocation is to be. Opportunity is always given for those present to ask questions and to discuss the subject presented.

The members of the Commission are grateful to the Rectors who have invited us to hold these Conferences in their Parishes and for the entertainment which they have provided.

The Commission made grants to four seminary students to assist them in meeting their expenses. It seems to us that Parishes from which young men are received as Postulants should make every effort to assist these men financially with their seminary expenses, considering it a privilege to do so. While the Commission is glad to make grants to such men, the Parishes from which they come ought to feel a definite responsibility to assume a share of the cost of preparing their own men for the Ministry. It would encourage the men themselves to know that their Rectors were back of them in deeds as well as in words, and it would be distinct value to the Parishes.

WM. NEWMAN PARKER,
Chairman
Diocese of Pennsylvania

CONVOCATION OF CHESTER

One great objective has been reached in our Convocation. St. Peter's Broomall has been completed. Regular services are held, and the spiritual life of the Mission is being developed and strengthened in every way. The first service was held in St. Peter's on Palm Sunday afternoon, March 31st, exactly one year from the day we broke ground for this new Mission. The Church was crowded to the doors. In fact, there were as many people who could not get in as did. It was a glorious service of gratitude and thanksgiving that this new Mission was built and that our Church had accepted the challenge of new communities and made possible a House of Worship for all who would attend.

Bishop Hart appointed the Reverend Frederick B. Hornby in charge of St. Peter's. Mr. Hornby's devoted service is bearing fruit. We believe it will only be a few years until St. Peter's is an independent parish.

Very attractive plans have been prepared for Ascension Mission, West Chester. These plans will be presented to the Convocation at its Spring Meeting, and we hope to proceed with the building as soon as funds are available. These funds we hope to receive from the Parishes and Missions of the Convocation who will add to their Missionary Gifts 10% of their Proportionate Share for this purpose. The Woman's Auxiliary to the Convocation will give $2,500 each year. The congregation of the Ascension have pledged $5,000 for furnishing and equipment, and the Diocese will give us $10,000 to complete the project. The cost of the buildings completed and furnished will be in the neighborhood of $40,000.

The Vicars of the Convocation report considerable growth in all but two of the Mission Stations. Our Vicars are rendering devoted and consecrated service, and their labors are richly blessed.

St. Luke's Church, Chester, has consolidated with St. Paul's. A new Chapel is being built at Highland Gardens by St. Paul's Church, and the Chapel is being called "St. Luke's" so as to perpetuate the name of the parish that combined with St. Paul's.

Many of the people of St. Luke's who live in the easterly part of Chester or in Eddystone, have transferred to St. Luke's Church, Eddystone, thereby strengthening the work of that Mission.

The Rector of St. Paul's Church, The Reverend Mr. Van der Hiel, has taken the oversight of St. Mary's Mission, Chester. The Mission is in charge of Mr. Cecil Cowan, a student of the Divinity School. The Sacraments are administered by Mr. Van der Hiel, or his assistant, The Reverend Mr. Varley.

St. Alban's, Newtown Square, has been ministered to by Mr. David Seabold since October 1st. Dr. McBee, who started St. Alban's more than twenty years ago, administers the Sacrament the first Sunday of each month. St. Alban's will begin its building program in the very near future.

The Executive Committee of the Convocation held seven meetings throughout the year, planning for the work of the Missions in the Convocation, for their development and upbuilding. I am indeed grateful to them and to the officers and members of the Woman's Auxiliary for their enthusiastic support of the Missionary Program of the Convocation.

WOMAN'S AUXILIARY OF THE CONVOCATION OF CHESTER

The two general meetings of the Woman's Auxiliary of the Convocation were held in the Spring at St. Mary's, Ardmore, on May 20th, and in the Fall at the Church of The Redeemer, Bryn Mawr, October 23rd. Both meetings were well attended, averaging 270 and each presented different accents of interest.

At the former meeting, Mrs. William Jefferys, Chairman of the Committee for revision of by-laws reported. The chief change was in the name of our organization, making us the Woman's Auxiliary of the Convocation of Chester, instead of "to the Convocation of Chester." These recommendations were acted upon at the Fall meeting and passed.

At the Spring meeting the Rev. Mr. Armstrong, Chairman of the committee to further the Presiding Bishop's Fund for World Service, reported on the needs and progress in this diocese, while the speaker of the afternoon session was Mrs. James Sutton who told us of her work in the mission school presided over by her husband and herself in the Trans-Gordon.

We completed our pledge of $2,500.00 for St. Peter's, Broomall and handed it to the Dean.

At the Church of The Redeemer, Bryn Mawr, the Auxiliary gathered, October 23rd, for our Fall meeting. Having finished our official business, mentioned before, the Auxiliary listened to the success story of the Rev. Aaron Manderback at St. Faith's Havertown. It isn't often that we get such fine reports from parishes we have helped, but this report of his efforts to build a parish from a struggling mission was very gratifying. It is "carrying on" as a full fledged parish.

The afternoon speaker was Mrs. Helen G. Hogue, Professor of Religion from the University of New York, whose general subject was "Who is Responsible for Juvenile Delinquency?"—the Church, the Parents or the State? This was a very searching and inspirational address.

The recipient of this year's budget is the Chapel of The Ascension. We hope to complete our pledge of $2,500.00 at our May meeting.

Respectfully submitted,

EMILY H. GAWTHROP,
Chairman
Diocese of Pennsylvania

CONVOCATION OF GERMANTOWN

While there has been several changes in rectorships in the Parishes of the Convocation during 1947, the clergy in charge of the Missions have remained the same.

The election of an Executive Committee, made possible under our new By-Laws, marked a real step forward in the life of the Convocation. Already its impact on our work has begun to manifest truly. During the Summer its members made a study of the Convocation and its needs, and plans are under way for meeting their needs, such as the erection of a long needed rectory at Trinity, Solebury; the building of an upper story on the Mission building at Ascension, Rhawnhurst; the purchasing of additional land to develope the work at St. Andrew's, Somerton, in conjunction with the Rector and Vestry of St. Luke's, Bustleton; and for the purchase of land in the general vicinity of Temple Stadium, between West Oak Lane and Mount Airy, in order that work may at last be started there.

Improvement and enlargement of the building at St. Paul's, Edgely, were completed and paid for, and that Mission now has adequate facilities for the time being.

Most of our Missions have shown steady growth during the year. The increased enthusiasm with its corresponding results at Incarnation, Morrisville, have been exceedingly encouraging.

In the fifth consecutive year one of our Missions applied to Convention for admission as a Parish and was so admitted. This year it was St. James, Langhorne.

I am most grateful for the help given by the Executive Committee and by the officers and members of the Woman's Auxiliary of the Convocation in their untiring efforts and real helpfulness in our work, and we look forward to 1948 as a year in which much may be accomplished in the service of the Master.

WOMAN'S AUXILIARY TO THE CONVOCATION OF GERMANTOWN

January to June — Since changing from Women's Aid to Women's Auxiliary, our program has expanded and our attendance has increased. We still are young, but four departments have begun to function pretty well.

The Department of Missions, Mrs. John T. Custis, Chairman, has three representatives serving on the Program and Extension Committee with the men, bringing an awareness of Convocation needs to the women.

The Department of Christian Social Relations, Mrs. Philemon T. Sturges, Chairman, kept the women informed on Material Aid needs, and stimulated giving to the Reconstruction and Advance Fund, and to the Presiding Bishop's Fund for World Relief.

The Department of Promotion, Mrs. John A. Slemons, Chairman, inaugurated an Honor Roll system to encourage parish auxiliaries to higher standards. Visits to parishes and constant efforts to keep all women in touch with diocesan activities come under this department.

The Department of Education, Mrs. Charles Long, besides conducting an Educational Day on January 21st, did much to make new literature available, and to help parishes individually with their educational programs.

The Personnel Committee, Mrs. John Weber, Chairman, is concerned with recruiting young women for church work.

The Annual Devotional Day was held in Lent, and the Garden Party in June.

MISS LILY CHESTON,
Chairman

(See page 23, Annual Report of the Women's Auxiliary of the Diocese, for full report, from which the above excerpts are taken.)

The Fall of 1947 — The October meeting, held jointly with the men, at a dinner-meeting at St. David's, Manayunk, heard the report of the chairman of the new Planning Committee, Mr. Damm. He proposed a new voluntary Convocation GROWTH FUND of $75,000 for five years, to be used for Advance Work in the Missions of the Convocation.

Our half-hour Business session after dinner took the form of a Model Meeting, with Chairmen of Committees reporting. New Chairmen include:

Christian Social Relations, Mrs. Samuel Bradbury.
Missions, Mrs. Henry J. Gideon.
Christian Education, Mrs. Fred Rogers.
Personnel, Mrs. Andrew Mayer.

Our new Vice-Chairman is Mrs. Rene Ruegg. Working with Mrs. Gideon on the Men's Executive Committee is Mrs. David M. Shearer, Jr.

Miss Lily Cheston, Resource Chairman, brings a happy Convocation tie-up with Church-wide and community activities.

With a new Executive Committee, as well as Planning Committee, we are still deliberating where to allocate our 1947 funds. However, five Summer Conference Scholarships to Sweet Briar and Beaver College were given last June, amounting to $102.50.

CONVOCATION OF NORRISTOWN

The Missions in the Convocation of Norristown have shown considerable growth and development during the year 1947, with one exception, Trinity, Gulph Mills remained static due to several causes that cannot be remedied at this time. There is the possibility of new industries finding place close by, and in that event more houses may be erected and the population increase. However, the church ministers to a small group of faithful souls who look to this mission for spiritual help.

It is particularly gratifying to note the growth of members in the other five missions and especially of Church School pupils. In 1946 the report showed 247 pupils and 27 teachers, while this report for 1947 shows 415 pupils and 40 teachers. In the previous year the total contributions amounted to $12,860. and in 1947 the amount is $20,378. Beside these signs of vitality and growth under the fine leadership of the Vicars, the various Congregations have made possible a number of repairs to buildings and grounds and the addition of several fine memorials.

The mission at Hatboro, the Church of the Advent, has been able to carry on entirely on its own financial strength and will shortly seek admission to Convention as a Parish. Epiphany, Royersford, likewise takes care of its own financial needs. Emmanuel, Quakertown, has made a number of repairs to property and also has received several fine memorials.

The new Mission, St. Philip-in-the-Fields, Oreland, has had a resident Vicar for just one year, and the growth here has been so great that already the Church School is crowding the Vicar out of his living quarters. Plans are being started for a rectory in order to care for the large inflow of new members and children.

The year 1947 has been one of unusual progress in the missionary work of the Convocation and much praise is due the Vicars, the mission congregations and the help given by the Parishes and the Woman's Aid to the Convocation.

WOMAN'S AUXILIARY OF THE CONVOCATION OF NORRISTOWN

The Fall Meeting of the Convocation was held at St. Peter's, Phoenixville, with a fine attendance. Twenty Parishes were represented and 69 delegates present.

The suggestion was made that the proposed change in the By-Laws be held over for discussion until the Spring Meeting as Mrs. Robinson, Chairman of the By-Laws Committee, was not present to make a report.

The Rev. Mr. Tatnall, of St. Philip-in-the-Fields, Oreland, made a report of the Mission and its needs.

The sum of $300 was allocated to St. Philip-in-the-Fields to be used for buying carpet for the Sanctuary and also for repair of the piano.

Two Educational Days were held in our Convocation, one at St. Paul's, Elkins Park, the other St. John's, Norristown. We had fine attendance on these days and interesting speakers. Our chief speaker being Mrs. U. Grant Beath.

Respectfully submitted,

ANNE K. LEEPER,
Chairman

CONVOCATION OF NORTH PHILADELPHIA

Early in the year, the Rev. John K. Shryock, Ph.D., resigned as the Dean after several years of able leadership and devoted service, and a new Dean was elected at the May meeting.

We are happy to report that every parish and mission in this Convocation, except one, met its proportionate share for the work of the Diocese and the general church, during 1947 — a very creditable achievement.

The Episcopal Hospital, within the bounds of this convocation, has suddenly aroused a new Diocesan interest.

The property of the old Church of the Incarnation, at Broad and Jefferson Streets, which later became Grace and the Incarnation Parish and then recently moved to absorb St. George's mission, Venango, was sold during the year to the Sinclair Oil Co.

St. George's, Richmond, under lay leadership, has not required any financial aid from the Diocese.

During the year, All Sauls' Church for the Deaf on 16th Street above Allegheny Avenue, lost her faithful and loyal vicar, the Rev. Henry J. Pulver, whose death on June 28, was mourned by a large circle of friends from far and near. On January 1, 1948, a new vicar took up residence there, the Rev. Otto B. Berg of Baltimore, coming to us from similar work in Maryland and Virginia. This church offers a fruitful mission field, and these people need all the help and encouragement we can give them, and deserve our best interest in all their endeavors.

The people of St. Luke's, Kensington, although without a vicar at present, have been able to pay all their outstanding bills during the year. The Rev. Gideon C. Montgomery resigned and has gone to do missionary work in the Canal Zone.

This is one convocation where removals and changes of population are making many problems for some parishes and missions and for the Diocese. We must successfully meet the special difficulties to be faced and solve them not from sentimental nor selfish reasons, but for the best interests of the Kingdom of God and the Episcopal Church.

We desire to thank the members of the Woman's Auxiliary to the Convocation for their loyal co-operation and wonderful assistance.

The meetings of the Convocation for 1947 were held at the Church of the Advocate and at the Church of the Resurrection.

Dean

WOMAN'S AUXILIARY TO THE CONVOCATION OF NORTH PHILADELPHIA

Another year added to the life and work of the Woman's Aid to the Convocation of North Philadelphia. Has it meant more to the delegates than just attending the meetings? Yes I think it has, for while they are very faithful in attending the three regular meetings, they are also most cooperative in all the projects undertaken for the benefits of our missions. Most of them are active in their own parish interests but they contribute most generously in every way to the Episcopal Hospital and the Episcopal Day for the Blind.

There was a very good attendance in March at the Morning of Prayer and Meditation conducted by Dean Shryock at Emmanuel Church, Kensington. These days are of much spiritual value to us.

My sincere gratitude for the privilege in service with you, and deep appreciation of your confidence and loyal support. Without you there would be no report.

CONVOCATION OF SOUTH PHILADELPHIA

The work of the Church has been well maintained during the year 1947 in this district.

Though it cannot be classed as a Mission, we are glad to report that All Saint's Moyamensing continues to function as a Parish under the care of its new Rector, the Rev. Lester M. Worthey, to whose careful ministration a generous response is being made by the congregation. The Convocation welcomes Mr. Worthey to its midst and trusts that the blessing of God will rest on all that he attempts to do.

The Rev. J. Aubrey Cragg was elected to fill the office of Vicar at the Chapel of the Prince of Peace, consequent on the retirement of Rev. Joseph Paul Morris, after many years of fruitful service, and under whose wise and experienced guidance, Prince of Peace as a congregation did excellent work for the Church and Diocese at large. Already Mr. Cragg is making his influence felt in many and useful ways. All sincerely hope that the Kingdom of God will be extended and strengthened by his work.

The Rev. J. W. Edwards has resigned from his charge at St. Philip's (Memorial to Phillips Brooks), 19th and Lombard Streets.

The Rev. Francis Roseboro and the Rev. John R. Logan, Jr., continue their work at St. Elizabeth's, 16th and Mifflin Streets, and 11th and Snyder Avenue, respectively.

We might in passing, express our sincere regret at the sale of the Parish House of Holy Trinity Church where on many occasions we enjoyed the hospitality of the Rector and Vestry of that Church, and to whom we desire to express our thanks for many evidences of kindness and goodwill.

I cannot omit to express my sense of sorrow at the passing in November 1947, of my wife, who for many years acted as President of the Woman's Aid in this Convocation, and worked with consecrated energy for the advancement of the Church which she loved intensely – in scores of ways. The welfare of the Church was her sole concern, and no one regretted more than she, her inability to carry on, because of ill health. To all who assisted her in that work, I desire to express my heartfelt thanks.

As this will be my last report, I cannot conclude it without expressing my sincere thanks to my brethren of the clergy, to

Rev. Dr. Roak, our Secretary, and to the President and Members of the Woman's Aid for their generous co-operation. Without them it would have been impossible to carry on.

I would wish God-Speed to my worthy successor as Dean—the Rev. Thomas Parker, Rector of St. Paul's Memorial Church, 15th and Porter Streets, a wise and experienced Priest of this Diocese, under whose guidance, I am confident the Convocation will continue to function smoothly and efficiently. May he receive the support of all his fellows in the important work to which he has been called.

Dean

WOMAN'S AID TO THE CONVOCATION OF SOUTH PHILADELPHIA

Three meetings of the Woman's Aid were held during 1947. In March we met at the Church of St. Luke and the Epiphany. Miss Whiting, of New York, spoke on "My Work with Women in India." In May we met at the Church of St. Simon the Cyrenian, and Mrs. Packard was our chief speaker. Her topic was "Evangelism." The usual allocations were made at this meeting to the Episcopal Hospital and for Summer Bible School work at St. Elizabeth's, St. Philip's and St. Simon the Cyrenian. Our Garden Party Fund was divided between the Bishop's Fund for World Relief and Holy Spirit Mission.

The October meeting was held at the Church of St. John the Evangelist, Mrs. Beath was our guest speaker on this occasion. Contributions of money and gifts were sent to the E.P.M. League at the Philadelphia Hospital, and Christmas treats were provided for the children at Holy Spirit Mission and St. Elizabeth's. The Needlework Guild, under the efficient and unselfish leadership of our Vice-President, Miss Frances Talbot, was successful in securing an increased number of garments and donations of money. During the past year Mrs. John D. Samuel accepted the appointment of Devotional Chairman of South Philadelphia.

On November 30th occurred the death of Mrs. Frank Bonynge, who for eight years served as President of the Woman's Aid. We recall with gratitude our association with her and pray God that we may receive the strength to exhibit daily our faith in God's Providence, so characteristic of her Christian way of life.

In closing we desire to thank the officers and members for their faithful co-operation and active participation in the year's program.

MARTHA MATTHEWS,
President

THE CONVOCATION OF WEST PHILADELPHIA

The special interest of the Convocation continues to center in St. Monica's, St. Cyprian's, and St. Titus' Missions.

The congregation at St. Monica's, the Rev. Matthew W. Davis, Vicar, is growing. A Men's Fellowship has been organized which has promise of being the strongest organization in the Mission if it continues to expand as it has recently. This group of men installed an Esso oil burner in the Church and has done much for the material improvement of the building.

The Young People's Fellowship, the Vicar's Aid Guild, and the Woman's Auxiliary are quite active and have provided many physical improvements in the Church and Parish House. The Mission is making excellent progress.

The work at St. Cyprian's is slowly but surely showing new signs of life. The Church School is much more active and the Y.P.F. has become of real value in the life of the community. A Men's Fellowship is in the process of organization. Many necessary repairs have recently been made, and on the whole St. Cyprian's, under the leadership of the Rev. Matthew W. Davis, is in a much more flourishing condition.

The congregation of St. Titus' has shown commendable interest and zeal. Following the resignation of the Rev. Mr. Ziadie, the services were conducted by a Lay Reader, Mr. Andrew T. Patterson. Subsequently Mr. Kenneth Rogers, a student at the Philadelphia Divinity School, was appointed Lay Reader-in-Charge. The Rev. J. W. B. Stewart graciously agreed to officiate at the celebration of the Holy Communion once each month and when needed. The response of the people under this leadership has been most encouraging. The attendance has steadily increased with the majority of the communicants present each Sunday. Current expenses have been met. A new heating unit has been installed through the financial assistance of the Advancement Society. Furthermore, the members of St. Titus' are planning to make several necessary improvements during the coming summer.

We record our hearty appreciation and are grateful to the Woman's Auxiliary for its enthusiastic support of the Convocation. The report of its work is a great testimony of the devotion and co-operation of its members in administering the activities of the year. It is noteworthy that the Auxiliary

continues to provide a scholarship at the Philadelphia Divinity School.

WOMAN'S AID TO THE CONVOCATION OF WEST PHILADELPHIA

The Woman's Aid held three meetings and one Educational Day in 1947.

Educational Day was held on January 17. The theme of the Triennial – the World Mission of the Christian Church was well presented by Miss Kitchen. Mrs. Charles Long spoke with quiet sincerity on the Christian and Race. The meeting was well attended. In the afternoon the regular meeting of the Woman's Aid was held.

On May 15, the Aid met at the Church of the Saviour and on October 23, at St. James, Hestonville. An average of 71 persons attended all meetings.

Money raising projects were a card party and a special summer activity. At the May meeting many members pledged to raise money individually during the summer. Any legitimate way of securing money was permitted. In the fall the delegates met at the Church of the Mediator, turned in their money and reported on how it was obtained.

The Aid is helping a divinity student through a scholarship. It was decided to continue this help during 1948.

APPENDIX I

Report of the Registrar

The canonical duties of the Registrar have been duly performed throughout the year; and numerous requests for certificates of Holy Baptism and of Marriages and Burials from the registers of closed parishes, and information of historical and biographical character, have been complied with insofar as the records were available.

The attention of all officers of diocesan organizations and institutions is called to the importance of preserving the official books of record and other documentary papers of said organizations. In case of dissolution the said books and papers should be transferred to the custody of the Registrar as soon as possible thereafter, and also in cases where an active organization has no suitable place of safe deposit.

There was received for safe deposit during the current year Package No. 426, Church News Receipts.

It is to be noted that there is in process of compilation a Clergy Service Index and a Parish Historical Index. These indices will show at a glance the service record of all clergymen of the diocese; and the list of rectors, locations, mergers or closings of all parishes and missions in the diocese from 1784 to the present time.

Respectfully submitted,

Howard W. Gernand

APPENDIX J

REPORT OF THE CHURCH FOUNDATION

Convention of 1948

Since the last report to the Convention The Church Foundation has lost the valuable services of the late Lee Sowden. During the years in which he was a member of the Board he was intensely interested in its work and faithful in attendance at the meetings of the Board and the Investment Committee of which he was a valued member. The vacancy so caused was filled by the election of Ernest Scott, Esquire. Otherwise the membership of the Board remains the same as at the last Convention.

Since the last report to the Convention The Church Foundation has received the following funds:

New Funds

The J. Vaughan Merrick Fund for Diocesan Missions	$127,422.64
Church of the Crucifixion	36,474.01
Church Farm School Thomas Fisher Mem. Scholarship Fund	10,000.00
Jacob Frederick Weinmann Trust for Christmas Fund	5,140.77
St. James Church, Downingtown, S. Ida Baugh Fund	2,000.00
St. Peter's Church in the Great Valley Churchyard Fund	1,760.00
Helen C. Washburn Memorial Scholarship Fund	1,600.37
Bishop of Pennsylvania Agency Account	1,000.00

Additions to Existing Funds

Endowment Fund of the Episcopate	$ 14,067.00
St. Philip-in-the-Field, Oreland	14,000.00
Miscellaneous	15,248.47
Total	$228,713.26

The total book value of securities and cash (exclusive of Church properties) held in trust by The Church Foundation for the past three years has been as follows:

March 5, 1946	$1,913,262.21
March 5, 1947	2,064,042.08
March 5, 1948	2,292,755.34

Consolidated Investments Fund

The total book value of securities and cash held in Consolidated Investments Fund has been as follows:

March 5, 1946	$1,418,218.83
March 5, 1947	1,560,153.95
March 5, 1948	1,878,631.56

Earnings and yield of Consolidated Investments Fund units have been as follows:

	1945	1946	1947
Earnings per unit (gross)	$0.41	$0.417	$0.440
Administration Expense percentage	8½%	6%	6%
Expenses per unit	.035	.025	.026
Amortization of bond premiums	.02		
Earnings per units (net)	$0.356	$0.392	$0.414
Average unit values	$11.02	$11.40	$10.67
Average net yield	3.23%	3.42%	3.88%

Of the total securities and cash held by The Church Foundation as of March 5, 1948, all but $414,123.78 consists of units in the Consolidated Investments Fund. The amount not now in the Consolidated Investments Fund is made up of securities not in themselves suitable for inclusion thereon, e.g., some $60,000 in mortgages (much the smallest amount for many years past) and some $33,600 in Perpetual Fire Insurance policies deposit premiums, or because the funds to which they belong are expendable as to principal, or are small funds being built up by investment of government accumulating bonds. A list of the securities held in the Consolidated Investment Fund is appended thereto.

Custody of Securities and Cash

By the By-Laws of The Church Foundation, which in this respect cannot be changed except by the consent of the Diocesan Convention, all securities and cash must be in the custody of a Philadelphia trust company having a combined capital stock, surplus and undivided profits of at least $5,000,000, as the Fiscal Agent of The Foundation. The Provident Trust Company serves The Foundation in this capacity. At the end of each calendar year the Fiscal Agent submits a list of all the assets which it holds as agent for The Church Foundation, which list is audited each year by The Church Foundation's Committee on Accounts, who personally, in the vaults, verify the existence of such securities. From that point

on the records of the Fiscal Agent must and do show all changes in cash and securities as they take place, and such changes are also currently reported to the Office of the Executive Vice-President of The Church Foundation. Moreover, with each quarterly distribution of income each beneficiary receives a statement of all transactions in principal and income in its funds for the previous quarter. Such a system would seem to provide a maximum of financial safeguard.

Administrative Costs

The present administrative charges of The Church Foundation are 6% on the entire income of funds wholly invested in our Consolidated Investments Fund, and 8½% on the income of funds which are invested wholly, or in part, in securities or obligations other than units, because of the greater expense of administration. These charges are not higher than normal trust company charges at the present time, but are actually lower, as investigation will disclose.

Revocable Trusts

The Church Foundation will, if desired, accept trusts with limited power of revocation. Withdrawals may be made after the trust has been in existence for a period of two or more years, subject to the approval of the Standing Committee of the Diocese. Forms of Trust Agreements are available at the office of the Executive Vice-President.

For the Directors,
F. C. Hartshorne
Executive Vice-President

Commission on Evangelism

During the past year the Forward in Service Commission was reorganized as the Diocesan Commission on Evangelism to cooperate with the National Church and to formulate plans for developing evangelistic work among our own clergy and laity.

Most of the members of the former Commission were continued and, in place of several who resigned, others were appointed by Bishop Hart. The Rev. Lars Bache-Wiig was elected Secretary and The Rev. J. Jarden Guenther was re-appointed Chairman.

The Annual Clergy Retreat was held in September at Holiday House, by courtesy of The Rev. Dr. Salmon and the Vestry of the Church of the Holy Trinity. The Rev. F. W. G. Parker, OHC was the Conductor. At the request of Bishop Hart an experiment was made, combining a Conference with the Retreat. As a result the largest number of Clergy ever to attend such a gathering was in attendance.

The men present voted not to accept the program on Evangelism recommended by the National Council but they did suggest that such part, of parts, thereof be adapted by the clergy to meet local needs. They did recommend that on the first Sunday in Lent there be Parish Corporate Communions with a sermon on "Evangelism". The Commission issued a letter making such a request and many Parishes cooperated.

Much of the work of the Commission must continue to be advisory. The Chairman has made a number of addresses before Diocesan groups on the subject of "Evangelism", and spoke at the final session of the Lenten Study Class at The Church of St. Michael and All Angels, in Baltimore. While there he had a conference with Bishop Powell who will shortly call together representatives of the Dioceses in the Third Province to a meeting at The College of Preachers.

The Commission recommends a study of the splendid work with and for Laity—both men and women—at St. Andrew's Church, Yardley. The Rev. William B. Stimson has set an example that may well be copied.

Out of the experience of last year's Retreat the one to be held this year will include a regular, full-time Retreat at the conclusion of which Bishop Hart will conduct a one-day conference.

Although the newly organized Commission hopes to do a much larger work than was done during the past two years by the Forward in Service Commission it asks only for the same appropriation as granted last year.

It therefore, offers the following Resolution:

Be it Resolved, That the Convention appropriate from the Convention-Diocesan Fund the sum of THREE HUNDRED DOLLARS ($300.00) for the work of the Commission on Evangelism, which includes the work of the Diocesan Retreat Association.

Chairman

APPENDIX L

Report of the Commission on Rectors' Salaries and Pensions

This Commission of Diocesan Convention, meeting regularly throughout the year, has endeavored to discharge the duties conferred upon it to the best of its ability. Each Parish requesting a grant has been required to submit their budget, the results of their Every Member Canvas and to give such other information as to rightly inform the Commission of the need for the grant. Full cooperation was given by each Vestry and Rector, so that the members of the Commission felt that every obligation required by Canon, as well as the fulfilment of other reasonable requirements assured proper use of the Sustantation Fund. It enabled some ten Parishes to carry through and give their Rector the salary required by Canon. Again last year, several Aided Parishes found themselves able to relinguish this aid from the Diocese.

Constant and careful attention each month of the matter of Pensions has been carried out by the Vice President, Dr. Hartshorne. He has tried to keep the pension premium of every Clergyman paid in full, thereby giving protection to both the Clergy and, in case of death, to have it possible for the grant of one thousand dollars to the widow. It is important that the purpose of his grant be kept in mind: it is to aid the widow and not to relieve the Parish or Congregation of that customary tribute to a departed spiritual leader, of paying funeral expenses.

The Commission, having learned that the Executive Council would ask Convention to increase the stipend of Vicars and Missionaries in the Diocese, adopted a resolution to the same effect for Rectors of Aided Parishes.

Therefore be it resolved:

RESOLVED, That the Convention give consent to the Commission on Rectors' Salaries and Pensions to make such grants to Aided Parishes, beginning July first, 1948, as will enable the salaries of the Rectors of these Parishes to be the same as that received by Vicars and Missionaries.

The Commission also asks Convention to permit an assessment on Parishes and Missions in 1949 for the same amount as for the year 1948, and presents the following resolution:

RESOLVED, That the Commission on Rectors' Salaries and Pensions be authorized to assess for the work of the Commission for the year 1949 the sum of $8,000.

Respectfully submitted,
JAMES M. NIBLO
Chairman

APPENDIX M

Report of the Cathedral Chapter

The regular Sunday schedule of Services has been maintained at the Cathedral throughout the year, Holy Communion at nine o'clock, Morning Prayer and Address at eleven a. m., conducted by one of the Lay Canons and Evening Prayer and Sermon at four p. m. Several special Services have also been held, one conducted by the Clergy and Young Peoples Societies of Germantown Convocation and another being the usual All Saints' Day Service. Clergy and their Congregations are urged to make a pilgrimage to the Cathedral and conduct the Sunday afternoon Service.

It is especially gratifying to report that the final mortgage on the Cathedral property has been satisfied. The site is now entirely free of debt. Plans have been tentatively prepared, so that continuance of building operations may be resumed when such a course is practicable.

The Caen Stone Altar from the former Church of the Incarnation, now Grace and the Incarnation, was presented to the Cathedral by the latter's Vestry and has been removed to the Cathedral. It will shortly be rebuilt for use of the Cathedral Congregation.

It is absolutely necessary for several auxiliary buildings to be erected alongside the Cathedral as well as considerable enlargement made to the present structure if the Cathedral of the Diocese is to function advantageously for the spiritual welfare of the Diocese. Such buildings or additions to the Cathedral proper offer opportunity for fitting memorials and thankofferings.

Respectfully submitted,

James M. Niblo
Registrar

APPENDIX O

Report of the Committee on Canons to the Convention of 1948

The Committee recommends the following Amendment, the adoption of the following Amendment to the Canon on Deputies to the General Convention, proposed by the Secretary of the Convention:

Repeal the second paragraph of SEC. I, sub-section 1, of Canon XXI beginning with the words "immediately" and ending with "nominated," and in its place, enact the following:

"Immediately after four Clerical and four Lay deputies have been elected the Chair shall declare elected as Alternate Deputies the four Clergymen and the four Laymen who have received the highest combined vote of the two Orders in the last ballot in the preceding election for Deputies. If there be not four such Clergymen or Laymen, the nomination and election of the necessary additional number shall take place by such method as the Convention by the concurrent vote of each Order may provide."

The Committee recommends the adoption of Amendment to the Canon on Amendments of Charters proposed by the Committee on Incorporation:

"Provided that, in the case of such proposals to amend a Charter by BY-LAWS as may be approved by the Committee on Incorporation, reference thereof to and action thereon by the Convention shall not be requisite; but all such amendments so approved shall be reported by the Committee to the next Annual Convention."

The Committee on Canons recommends the adoption of the following Amendment to the Canon on the Formation of New Parishes:

Amend Canon XI, SEC. I, by changing the wording of sub-section 2 so that it shall read:

If the place of worship be a new one, it will be necessary to first proceed under the provisions of the Canon Of the Establishment of New Places of Worship to obtain the consent of the Bishop provided for in said Canon. Commission on Music

At the first meeting of the Commission on Music held in the fall the following officers were re-elected to serve for another year: Mr. Newell Robinson, Chairman; and Miss Roma E. Angel, Secretary-Treasurer; and in addition, Miss Julia Hunn was appointed to serve as Recording Secretary.

Plans were made for the season's work, and the Commission now reports the completion of the following activities:

A Council of Organists and Choirmasters was held in October to discuss the problems of choir training, etc., and to ascertain which subjects were most needed for study during the winter at lectures and conferences.

At five different centers in the Diocese, on the first Tuesday and Wednesday evenings of 1948, Institutes on Voice Training for Choirs and on Anglican Chanting were given for organists and choirmasters, choir members, clergy and all those interested in the music of the Church. The classes on Voice Training were conducted by Dr. William Reese, Director of Music at Franklin and Marshall College, and those on Anglican chanting by Mr. Harold Gilbert of St. Peter's Church, Phila. We were fortunate to have obtained the services of these two excellent conductors. Much interest was aroused and the attendance amounted to over 300.

The Churches chosen for these meetings were: St. Mark's, Frankford; St. Luke's, Germantown; St. John's, Lansdowne and All Saints, Moyamensing.

Our newest publication is in the form of a little paper, "The Parish Choirmaster," The Rev. William J. Alberts, Christ Church, Media, Pa. editor, which is sent to the clergy and organists of the Diocese. The general purpose is to keep the Diocese informed of our activities and future plans, to feature articles of special interest in the field of Church Music, and to answer comments or questions which arise from time to time on pertinent subjects.

The project of sending out at regular intervals a reproduced hymn from the 1940 Hymnal has been a large order, but has finally gotten under way. The idea is to aid in teaching the children of our Church Schools new, or good old tunes, have them taken home for use of parents, and finally to enlarge the repertoire of our hymnsinging congregations. We hope to find ourselves able to continue with this depending largely upon its reception and need.

Several talks have been given by Mr. Robinson on the ideals, formation and general work of the Commission, and much has been done by correspondence with many interested persons and groups outside of our own Diocese.

We are sponsoring a Festival Service of Junior Choirs at the Church of the Advocate on May 2nd at 4:00 p.m. Sixteen choirs will there participate and an address will be made by Rt. Rev. William P. Remington.

Plans are under way for the music to be presented at the opening Service of the Annual Convention of the Diocese of Pa. on May 3rd at Holy Trinity Church, Phila., Pa.

We are discussing plans for more services, conferences, lectures and new publications for next season to add to the recent ones: "A List of Service Music and Anthems," and "The Hymnal 1940", by Brother Sidney, both of which are still available from the Secretary.

The Commission offers the following resolution: Resolved that the Commission on Music be continued with power to fill vacancies and to add to its membership.

Respectfully submitted,

Roma E. Angel, *Secretary*

APPENDIX R

Committee on the Administrative Needs of the Diocese

The Committee regrets the loss by death of a valued member, Dr. Thomas S. Gates, whose quick perception and wise counsel will be greatly missed.

In its Report to Convention of 1947 this special committee outlined a plan which the Convention approved in principle, and in addition authorized the immediate establishment of one of the proposed four new Departments, that of Property, Finance, and Promotion, replacing the former separate Departments of Finance, Property, Field, and Publicity, and the engagement of a full-time executive for it. Through the generosity of an interested communicant this executive was obtained and has been in office since October 1947 with valuable results to the Diocese. Experiments and consultations are in progress looking to the gradual formulation in specific measures of the rest of the program proposed in 1947.

One proposal of the 1947 report was the creation of a small executive committee, meeting with the Diocesan frequently to report to him departmental plans and policies and enable him to review and integrate them. It was to be composed of the volunteer chairman of each of the four Departments in which it was proposed that administrative work of the Diocese be combined, and of a full-time executive to be appointed for each Department. It is impracticable at this time to put this part of the committee's plan formally into operation, but because of the great value to be obtained by exploring methods of operation and to assist in final determination of the form of organization to be later recommended, it is suggested that an interim committee be appointed to meet regularly and frequently with the Diocesan at times to be set by him composed of

(a) the volunteer chairman and the full-time executive of the Department of Property, Finance, and Promotion;

(b) the volunteer chairman and the full-time executive of the Department of Religious Education;

(c) the volunteer chairman of the Department of Missions and the Secretary of the Diocese;

(d) the volunteer chairman and the volunteer secretary of the Department of Christian Social Relations.

It is felt that this informal group may well develop the basic consideration looking to the coordinated work of the Diocese.

The Committee also recommends abolition of the present Commission on Church Building (Canon IV, Section VI) and transfer of its activities to the new Department of Property, Finance, and Promotion, with provision for the addition to the Department of a consultative committee of three architects. This proposal will be brought in separately.

The Committee is not at present ready to suggest further steps. The Committee suggests, however, that it be continued and instructed to report further to Convention of 1949. It submits a Resolution as follows:

RESOLVED, That the special committee on the Administrative Needs of the Diocese appointed pursuant to the Resolution adopted by Convention of 1945 (Journal 40) be continued and instructed to report further to Convention of 1949.

Respectively submitted,

Report of the Special Committee on the Relationship of the Convention and the Board of Managers of the Episcopal Hospital

The Committee, representing the Convention, recommended by the Special Convention of December 15, 1947 and appointed by the Bishop, held its first meeting January 22, 1948. At two of the subsequent meetings of the Committee, members of the Committee representing the Board of the Hospital were present. The main objective of your Committee was to develop means of strengthening the relationship between the Episcopal Hospital and the Diocese of Pennsylvania.

The immediate need of the Hospital is a source of funds, to meet annual operating deficits amounting to approximately $150,000.00 per year.

The long range need is a source of funds to provide, during the succeeding years, for a rebuilding program totaling several million dollars.

The Board of Managers of the Hospital, of necessity, must affiliate and develop a relationship with such a source willing and capable of supplying the financial support required. Another alternative is to reduce the size of the hospital to permit it to operate within its estimated income.

Your Committee has been advised that a survey is being made for the Board of Managers by a competent firm of Engineers. As this report is not yet available for examination, further study of the entire problem is essential.

Your Committee is of the opinion that the hospital in its present location is sorely needed and that its removal would place an undue burden on the remaining hospitals in the area. Changing conditions in the area served by the hospital and the increased tendency of having the governments, federal and local, take over the responsibilities for hospitals and medical care, raises the question of what social services the Church should develop and support. The hospital in character is primarily an Episcopal Institution but the services performed by the hospital are not of such nature that the greatly increased financial support needed could be classed as an Episcopal Missionary project, which classification would be required if the Diocese decided to give consideraton to raising and furnishing the funds.

Inasmuch as it is imperative that additional funds be obtained, it may become essential in order to maintain future operations of the hospital, to secure State aid; in which event the present affiliation of the Hospital with the Church would have to be modified in order that the hospital could qualify for such aid.

By Resolutions adopted, the Board of Managers of the Hospital have expressed a desire to cooperate with the Diocese in every way and would welcome the appointment of a Committee, appointed by the Diocese, to work with the Hospital Board to keep the Diocese informed as to the affairs of the hospital.

Accordingly your Committee recommends the adoption of the following Resolution:

RESOLVED: That a Committee be appointed to work with the Board of Managers of the Episcopal Hospital in planning the future of the hospital, such Committee to consist of nine(9) members of Convention appointed by the Bishop, and that when a definite decision has been reached, a Special Convention be called to take action on the proposal.

After action by the Convention, pro or con the Resolution, your Committee will ask to be discharged.

THE CORPORATION FOR CHRISTIAN WORK IN EDUCATIONAL INSTITUTIONS

Annual Report of the Diocesan Convention

During the past year the Directors of the Corporation have given careful consideration to developing the effectiveness of our college work in the Diocese. A very necessary step has been to clarify the purpose of the Corporation and to show how it might be applied directly and specifically on the college level: The following statement of purpose has been endorsed by the Directors and distributed to all those in this Diocese who might be engaged in college work.

We recognize that work among students is a specialized field, requiring efforts and techniques outside the ordinary scope of the Parish. It is the purpose of The Corporation to further such specialized work which the Parish is ordinarily unable to do. It is not enough to expect the student to seek out the Church. The Church must go to the student. Any program ought not to be organized for the "faithful" alone; it should reach out for the greater number of students outside the Church. Thus we recognize a *special mission field.*

The Church on the Campus should meet the specialized needs of the Students in the following ways: (not listed in order of importance) 1) Opportunities for worship; 2) Personal counseling; 3) Teaching and discussion—To supply the much needed intellectual approach to religion; 4) Opportunities for the expression of Christianity in specific action; 5) Recruitment for the Ministry and the development of lay leadership; 6) Enlistment of Faculty support. Such a program will ordinarily mean an Episcopal student organization. (i.e., Canterbury Club) It is recognized that in some cases the number of students will be too small or the policy of the college makes a student organization impractical.

A second point of consideration has been how the work might be strengthened from the standpoint of organization. The Corporation has recommended that small local committees be established to further the work of the Episcopal Church in the various institutions. It is further recommended that the raising of funds to advance college work depend upon such local committees. It is hoped, therefore, that the college work in this Diocese will be strengthened through the action of local committees. The Corporation will con-

tinue as a coordinating agency and continue to disburse funds as needed. The trend, however, will be toward a decentralization.

Episcopal student organizations now exist in four of the higher educational institutions in this Diocese. Definite work is being done by the Church in five other major institutions. The fact that local committees are now being formed to promote the Church's work in five of our colleges indicates that we are beginning to move toward the realization of our purpose.

Committee on the Enlargement of the Fund for the Endowment of the Episcopate

Almost entirely as a result of interest aroused by the Committee, the principal of the Fund for the Endowment of the Episcopate has been increased from $92,000. at the end of 1939, to $182,000. today. This increase has been wholly by lifetime gifts, but the Committee has been informed of a number of prospective legacies.

We are printing, and shall send out to the clergy and to any others who may apply for copies, a condensed history of the Fund, with some material showing its importance to the diocese. You may be surprised to learn that this Fund came into existence in 1809, when the first instalment of a legacy by Andrew Doz, of old St. Paul's, Philadelphia, was paid over to it. It is therefore just 139 years old. The main point to note in the history of the Fund is that it has been neglected, and so has increased far too slowly. In 1939, before this Committee took hold, the income from the Fund was only $2952. Even now it is only some $7600. The expenses of the Episcopate are almost five times that sum. Other dioceses, much younger and with many fewer communicants, have larger Funds. We must awake, and make the Episcopate independent of the parishes and missions by providing it with a far larger endowment.

This can easily be done without any pressure or solicitation of gifts, merely by reminding people of the existance and importance of the Fund. Watch our advertisements in THE CHURCH NEWS commencing next October. A brochure telling about the Fund will be distributed at this Convention.

The Committee has an office and a full-time secretary in Church House, to whom you may apply for information at any time.

We have no Resolutions to submit.

Report to the Diocesan Convention from the Board of Trustees of the Episcopal Academy

From time to time the Trustees of The Episcopal Academy have discussed the relationship between the Academy and the Diocese. At the April meeting, of the Academy Board, when this matter was again discussed, Bishop Hart suggested the designation of a committee representing the Academy to meet with a Diocesan committee, appointed by Bishop Hart. The Academy committee has been appointed and awaits the convenience of the Diocesan committee.

In order that the Convention may have current information, I have been invited by Bishop Hart to make a brief presentation of the Academy's recent progress.

So that I may stay within my time limit, I must assume a general knowledge of the Academy's background and objectives. This presentation will be confined to specific facts which I hope you will find pertinent.

Fundamentally, the Academy aims for development of Christian citizenship through character training, through inculcation of respect for learning beyond mere college entrance requirements, and through the building of healthy bodies.

Going back only one hundred years in the Academy's history, the records show that seven of the Academy's alumni have become Bishops. Leadership in the country's service has been further demonstrated by the fact that out of 800 former Academy boys who served in the last war, over 75% achieved officer's rank.

The Trustees fully recognize that a practical measure of the Academy's effectiveness lies in our college placement record. The postwar years have created a particularly difficult situation in which many schools have experienced embarrassment because of the selectivity demonstrated by colleges in their efforts to cope with excessive applications. Last Fall, the Academy placed 59 out of 61 graduates. In the prior year, 46 out of 47 Seniors obtained college admission.

Fifteen college admission's officers have visited the Academy personally during this school year indicating at least that we are on the route of secondary schools that attract the interest of college authorities.

The Academy, too, enjoys a high degree of patronage favor. This increases the opportunity to select students who are most likely to be benefited by the Academy training. Of our enrollment, more than two-thirds are Episcopalians.

The Academy's position of leadership in its field is again emphasized by the fact that the Headmaster, Greville Haslam, has served for six years as the Secretary of the Headmasters' Association of the United States. He is a member of the Advisory Committee serving the State Department of Public Instruction and, in this capacity, played an important part in the organization of the new Association of Pennsylvania Private Schools formed to help assure desirable standards for private school administration.

To promote sound health habits, the Academy has developed a carefully integrated system for participation in athletics. The persistent effort to develop sturdy bodies throughout school years is evidenced by the fact that Academy teams win something more than their share of Interacademic League championships, and teams in the Interacademic League have attained a degree of skill that places them on an equal footing with high schools and boarding schools whose athletic prowess was formerly beyond the level of our local private schools.

The Academy Trustees well realize that insurance for the school's further progress must come from a condition of sound financial health. Toward this end, the entire Academy family has been enrolled in an effort to eliminate the mortgage indebtedness that has burdened the school since its move from the city to the suburbs. The school's long history dating back to 1785 and its name have served to create the impression in Church circles and among the general public that the Academy is a wealthy institution. This has been a serious handicap. No income is received from Church sources and the Academy depends entirely upon its income from tuitions and from a modest endowment fund.

From time to time, up to 1946, efforts had been made to reduce the Academy's debt. In 1946 the Trustees invited participation by the Alumni Society, the Faculty, and parents and friends of the school in an accelerated effort to build the Academy Fund to a point where the school's most urgent needs might be met. Since the beginning of the accelerated effort, the Fund has received, including legacies, $340,000. We are very proud of the fact that nearly half of the Alumni and about half of the parents and friends who have been solicited have contributed to the Fund. According to information from various sources, we understand this is a highly unusual fund-raising record.

The immediate objective of the Academy Fund is to eliminate money paid for interest charges, in order that Faculty salaries may

be increased for further insurance on a quality teaching program. From a high of $24,000, the annual interest has been reduced to less than $4,000 per year. The savings have been invested in teaching salaries. We offer this information as evidence that the Academy family has demonstrated a loyal record of self-help.

I believe a proper conclusion should disclose highlights of the Academy's religious training.

The Chaplain is an ordained priest of the Episcopal Church, and a member in good standing of the Diocesan Convention. Under the Chaplain's direction, the Academy holds daily religious services attended by all boys and Faculty members. The services follow the Episcopal Church Calendar and Prayer Book. The Chaplain is assisted by a Student Vestry and a Vested Choir.

The Chaplain and four assistants conduct Sacred Studies Courses in which credit is necessary to obtain the school's diploma. Grades are given as in all other courses of the school's curriculum.

The Academy is not a parish. It seeks to cooperate with other parishes and to strengthen the students' ties with local churches. It supplements the work of the local church. That it serves also to strengthen interest in the work of local churches is substantiated by the number of boys and Faculty members who serve their churches and Diocese in various offices. The Academy is regularly utilized as the scene of Diocesan gatherings for the Lenten Presentation Service, Youth Conventions, Clergy Meetings, Brotherhood of St. Andrew Meetings and others.

The Academy's vigor has enhanced with its years. Without formal ties to the Church, it has rendered service in countless ways and seeks to enrich the lives of its family through continued opportunities to participate in religious development.

The Academy stands ready to explore with Diocesan representatives the question of whether the present relationship between the school and the Church should be retained or whether there would be the prospect of mutual benefit by some agreed modification.

Report of Convocations

The following resolution was presented to the Convention of 1946:

"WHEREAS, The present bounds of Convocation were fixed by Amendment to Canon VIII, Sec. II, at the 1916 Convention, and

WHEREAS, In recent years the membership and distribution of our Parishes and Missions have greatly changed in the expanding growth of the Diocese; and

WHEREAS, These shifts in our Church population have created an altered geographic pattern for the effective sectional development of our Diocesan missionary work; and

WHEREAS, There is current discussion of boundary modifications in certain Convocational areas; therefore be it

RESOLVED: That this matter be referred to the Bishop's Board of Strategy; the said Board to study and re-evaluate the presently existing bounds of Convocations, and report their findings and recommendations to the next Annual Convention."

The resolution was based upon a desire of certain of the clergy in the North East section of Philadelphia to have a separate Convocation in that part of the city.

The Board of Strategy feels that such a recommendation has of itself some merit, but consideration of such a change must form part of a study of the Diocese as a whole, and would necessitate the changing of all present Convocational boundaries.

The Board has given considerable time and thought to a study of this matter, and reports that in its judgement no real advantage and no beneficial results to the Diocese as a whole would be obtained by any change in the present bounds of the six Convocations, but that considerable opposition would be forthcoming from many quarters to any re-alignment.

However, the Board presents for your consideration (but without recommendation) the following changes in boundary lines as perhaps the best which was submitted to it as an alternative to the existing bounds.

The Board asks to be relieved of any further consideration of the matter.

REPORT OF CONVOCATIONS

The 1946 Diocesan Convention requested that the Bishop's Board of Strategy study and re-evaluate the presently existing bounds of the Convocations. This Board consists of the Rev. Messrs. J. M. Niblo, N. H. Caley, Arthur Murray, Thomas Parker, John H. A. Bomberger, Charles W. Shreiner, Charles H. Long, Charles E. Tuke, Mrs. U. G. Beath, Messrs. Freas B. Snyder, Federico F. Mauck, Ronald J. The Committee on Church Unity

The Committee on Church Unity reports progress. Nothing has come before your committee during the past year which requires any formal report to this Convention. We await with much interest and with prayerfulness the pronouncements of the coming Lambeth Conference on many matters concerning the unity of the Church.

Perhaps I may be allowed to report for myself, not for the Committee, several matters which are of interest and concern.

The Joint Commission on Approaches to Unity has, as directed by the General Convention, meeting in Philadelphia in 1946, prepared a statement for submission to the Lambeth Conference. It will be presented by our Presiding Bishop. This statement reaffirms the stand taken by this Church towards church union on the basis of the Chicago-Lambeth Quadrilateral. This statement of the Commission not only asserts the four-fold basis of the Quadrilateral, but enlarges on these four fundamentals and asserts, "Anglican formularies deal with the episcopate as a fact rather than a doctrine. It is, however, a fact deeply rooted in history. The Lambeth Quadrilateral is, accordingly, employing a defining phrase when it speaks of the 'historic episcopate.' Acceptance of episcopacy as a basis of reunion necessarily means acceptance of it not as a bare fact, but a fact accompanied by its historical meaning. . . It should be clear, therefore, that while acceptance of the 'historic episcopate' may not involve acceptance of any one formulation of the doctrine of the ministry, it does involve acceptance, in the form of a fact, of the three-fold ministry of bishops, priests, and deacons, and the acceptance of it also as accompanied by the claim that it is a ministerial succession tracing back to the 'Apostles' time."

This statement of the Commission is significant for it places the matter of unity on the sound basis of Holy Scripture and the experience of the Church throughout the ages. This statement met with the unanimous consent of the Commission on which all grades of churchmanship are represented.

Another matter that must come before the Lambeth Conference is the United Church of South India. This United Church came into existence in September 1947 and is now in operation. It is not proving satisfactory in all its details, and a number of its members, both clergy and lay, have resigned from membership in this United Church. Whether satisfactory adjustments can be made or not remains to be seen. While we all long and pray for wider unity in the Church, the example of the South India scheme which was under

prayerful discussion for many years, warns us to make haste slowly towards our desirable but difficult objective. The United Church of South India is not a part of the Anglican Communion, nor is it in communion with it. Anglican clergy and laity who have joined the United Church do not however incur censure, and can resume their ministry or membership in the Anglican Church when they so desire.

Very real progress has been made towards church union, and two important events are worth reporting:

1. The Polish National Catholic Church of America and the Protestant Episcopal Church of the United States have been working towards inter-communion since 1931; full inter-communion between these two churches has now been established and a member of the Episcopal Church may now receive Holy Communion freely (there were restrictions previously) at the altars of the Polish National Catholic Church, and a Polish churchman may receive the Sacrament freely at our altars;

2. The Philippine Independent Church. In the year 1902 the Philippine Christians numbering about three million lay members and 100 priests seceded from the Roman Church. They had previously made appeal to the Pope, through proper channels, seeking reform with a view to correcting abuses, injustices and superstitious practices which were having a demoralizing effect on the clergy and people. The appeal was denied.

Unfortunately new bishops were appointed, without regular Episcopal consecration. Attempts have been made by this reformed Philippine Church to secure valid and regular Apostolic orders, but without success until recently.

In November 1947 the Philippine Independent Church appealed to our House of Bishops at their meeting in Winston-Salem, and the petition was approved almost unanimously. Our present Presiding Bishop took order for the Consecration of three Philippine bishops, and they were Consecrated in their Cathedral in Manila last month. When the three bishops, who now have valid and regular Consecration, have ordained and consecrated the bishops, priests and deacons of the Philippine Independent Church, they will negotiate with this Protestant Episcopal Church with a view to concluding a concordat with this Church authorizing inter-communion.

(It is much to be hoped that this inter-communion will be authorized at our next General Convention. The Philippine Church, after their secession from Rome, was in danger of becoming Unitarian because the Unitarians were the only group who sympathetically espoused the reformed church when it seceded from Rome. The Philippine Independent Church is Catholic, reformed and autonomous.)

Respectfully submitted,

REV. E. FRANK SALMON
Chairman

Synod House

The Commitee appointed by Bishop Hart at the request of the Diocesan Convention of 1947 to consider the matter of building a Synod House at the Cathedral Site has met three times. Detailed consideration was given to the various phases of the project. These included future population trends studies made by independent business enterprises and a personal inspection of the present Cathedral Site.

It is the Committee's opinion that while indications are that the site is a good one for future development, any further plans for the erection of a Synod House be deferred until such time as potential population trends become more firmly established and building operations less costly.

The Committee asks that its detailed findings be made of record in the Diocesan files for such use as may be made of them by any similar committee which may in future be appointed.

The Committee feels that its function having been accomplished with this report, it should now be discharged.

Respectfully submitted,

REV. WILLIAM J. ALBERTS,
Chairman

Report of the Committee on Christian World Order

In October of last year, the Committee on Christian World Order met in the evening at the home of Mr. Edward S. Morris in the hope that we might get some suggestions and direction for the continuance of the work of the Committee. We asked Mr. Richard M. Fagley of the Commission on a Just and Durable Peace of the Federal Council of Churches to suggest ways and means of presenting Christian World Order. We had tried the organization of study groups throughout the Diocese and last year had imported some prominent speakers to present problems and issues to Church groups. There was a rather meager response to both of our efforts. Much of the work of educating the people about the United Nations had been done and had lost its initial interest. New questions arose every day in the papers and it was impossible to keep up with new developments; however, the members of our Committee have kept in close touch with other bodies in the city like the Foreign Policy Association and the United Nations Council of Philadelphia.

It is quite evident that the Charter of the United Nations will have to be amended in order to eliminate the veto power in the Security Council. This was put in originally in order to protect our own sovereign rights and unite the great powers in an effort to consolidate the victories which they had won and provide for settlements looking towards a just and durable peace in Europe. The constant use of the veto on the part of the Russian Government has destroyed pretty nearly every effort made for the peace of the world by other nations. There is urgent need that something quite radical be done before we drift into another world war. A group of editors of Church papers met together recently, representing the Protestant Press of the United States and Canada, and adopted the following Resolution:

"Men of good will everywhere should work for a genuine world government, either by amending the Charter of the United Nations or by calling a world constitutional convention to set up a new entity to which the United Nations would transfer its function and in which no nation, including our own, would exercise a veto power."

In the fall, we entered into the observance of a Day of Prayer for the United Nations and a Christian World Order. This was proposed by the Secretary General of the United Nations and was

rather generally observed around the world. Just recently the Bishops of Pennsylvania called the whole Diocese to pray for peace. The week of April 12 to 17 was observed with a special vigil of continuous intercessory prayer on Thursday, April 15. About 7,500 copies of a specially prepared litany and prayers were distributed and some of the other churches outside our own communion joined in this observance. We think the effort was well worthwhile.

It must be remembered that the House of Bishops at its last meeting counseled the Church as follows:

"The surest way to fight Communism is to work unceasingly at home and abroad for a society in which justice and the dignity of free men are guaranteed to men of every race and condition.

"We have no defense for those who, while sharing the privileges of our imperfectly democratic society, seek to undermine its fabric. But we hold it to be the duty of every Christian citizen to guard for others the freedom of conscience we treasure for ourselves."

The pattern of the new world order seems to be shaping up along the lines of World Federation as the only guarantee for the future peace and economic stability of the rapidly changing conditions of modern life.

Respectfully submitted,

THE RT. REV. WILLIAM P. REMINGTON, *Chairman*

APPENDIX AA

Report of the Board of Control of the Diocesan Library for the Year 1947

During the past year eleven magazines were subscribed for and placed in the rack for public use. Sixty-one books were purchased and placed on the shelves. An average of fifty books were out at a time. In an effort to increase the circulation among the laymen, a letter was mailed to approximately six hundred throughout the Diocese, as well as the two hundred and forty-five clergymen. Lists of new books were advertised in the issues of the Church News, and cards calling attention to same were mailed.

Respectfully submitted,

GEORGE COPELAND
Secretary
